This thesis is a step of success in the journey of obtaining my Ph.D. My first and sincere thanks goes to Dr. A. Pethalakshmi, Head and Associate Professor, Department of Computer Science, MVM Government Arts College for Women, Dindigul my guide for all I have learned from her and for her continuous help and support in all stages of this thesis. This work would not have been possible without her guidance, support and encouragement. Under her guidance I successfully overcame many difficulties and learned a lot. Her unflinching courage and conviction will always inspire me.

Words are short to express my deep sense of gratitude towards Dr. S. P. Victor, my co-guide for provided me with guidance and inspiration during these past years. Without his support it would have been much harder to accomplish this work.

I would like to express my sincere gratitude to Dr. K. Thangavel, Professor and Head, Department of computer science, Periyar University, Salem for the continuous support of my Ph.D study and research, for his patience, motivation and immense knowledge. His guidance helped me in all the time of research.

I would like to thank Dr. Sumathi, Assistant Professor, Department of English, MVM Government Arts College for Women, Dindigul for making this research possible. Her support, guidance, advice throughout the research project, as well as her pain-staking effort in proof reading the drafts, are greatly
appreciated. Indeed, without her guidance, I would not be able to put the topic together.

I have not travelled in a vacuum in this journey. This thesis has been kept on track and encouragement of numerous people including my well wishers, my friends, colleagues and various institutions. It is a pleasant task to express my thanks to all those who contributed in many ways to the success of this study and made it an unforgettable experience for me.

I would like to thank my father T.G.Arumugam and my mother A.Rajammal for their support and encouragement with their best wishes.

I am very much indebted to, my son K.Kamalnath and my daughter K.Nithyapriya for supporting me throughout my studies and believing in me. Last but not least, I would like to pay high regards to my husband A.Karthikeyan ,TTE, Southern Railway who supported me in every possible way to see the completion of this work. It is to him that I dedicate this work.

Above all, I owe it all to Almighty God for granting me the wisdom, health and strength to undertake this research task and enabling me to its completion.
