ACKNOWLEDGEMENT

I am deeply indebted to my Research Advisor Dr. P.S. Jayakumaran thampy, Associate Professor in the Department of Advanced Zoology and Bio-technology, Sri. K.G.S. Arts and Science College, Srivaikuntam for his scientific freedom, magnanimous support, scholarly advice, guidance and constant encouragement throughout the study and for critically going through the manuscript and insight that turned the impossible into the possible.

I am very much thankful to Dr. M. Arunachalam, Professor & Head I/C, Sri Paramakalyani Centre for Environmental Sciences, Manonmaniam Sundaranar University, Alwarkurichi, for his guidance and scholarly advices for improvement of the thesis and constant encouragement throughout the study period.

I am grateful to Dr. S. Sankaranarayanan, Principal, K.G.S. Arts and Science College, Srivaikuntam for his help in both academic and administrative tasks during the course of my research work. My sincere thanks to Prof. G. Subramanian, Head of the Department,

Dr. V. Dhanushkodi, Associate Professor and Dr. K.S. Sunita, Associate Professor, Department of Advanced Zoology and Biotechnology, K.G.S. Arts and Science, College, Srivaikuntam for providing necessary facilities in the department to carry out the research work and for their encouragement.

I am very much thankful to V. Jayaprakasam, Former Assistant Conservator of forest for preparation of GIS maps. I would like to thank Dr. K. Thiyagesan for his constant support encouragement and guidelines.

I express my deep sense of gratitude to Dr. M. Ashokkumar, Research Associate, Pookode Veterinary College, Kerala for his help in designing the study and statistical analysis.
I express my sincere thanks to my friend Dr. R. Saravanan, Assistant Professor, K.G.S. Arts and Science College, Srivaikuntam, Dr. S. Meenakshi saravanan and their family for their hospitality and constant support throughout the study. Without them my study would not have been possible.

I wish to express my sincere gratitude to Dr. B. Ramakrishnan, Assistant Professor in Department of Zoology and Wildlife Biology, Government Arts College, Ooty,

Dr. C. Arivazhagan, Executive Director, Indo American Wildlife Society, Chennai,

K. Ramkumar, Assistant Manager, Wildlife Trust of India, New Delhi for his constant encouragement and critical reviewed my earlier draft of my thesis.

I am thankful to Dr. A. Veeramanai, Assistant Professor, Dr. Mohanakrishnan, Assistant Professor, Dr. P. Kannan, Assistant Professor, Dr. M. Subramanian, Assistant Professor, Department of Zoology and Wildlife Biology, Government Arts College, Ooty, for their help and support throughout the study period.

I extend my hearty thanks to Mr. G. Sakthivel, Biologist, Mudumalai Tiger Reserve,

Dr. N. Kalaivanan (Former Veterinary Assistant Surgeon, Mudumalai Tiger Reserve) and Dr. R. Anbazhagan, Assistant Veterinary Surgeon, Masinagudi for his support and help during various stages of study period.

I express my deep sense of gratitude to Dr. N. Sivaganesan, Executive Director, Wildlife and Environment Trust, Dr. P.S. Easa, Scientist, Kerala Forest Research Institute,

Dr. R. Sukumar, Indian Institute of Science, Mr. Ajay A Desai, IUCN Co-Chair,

Dr. N. Baskaran, Assistant Professor, A.V.C. College, for their inspiration and encouragement from the beginning of my wildlife carrier.

I would like to thank Tamil Nadu Forest Department for granting permission and supporting the project. I thank Chief Conservator of Forests, Mudumalai Tiger Reserve Dr. P. Raghuram Singh and Dr. Rajeev Srivastava for his support. I also thank Mr. Ameer Haja Deputy Director for his support and encouragement during the project.
I would like to thank Mr. A. Pushpakaran, Forest Range Officer, Mudumalai for his encouragement. I particularly like to thank all the staff of Mudumalai Tiger Reserve for helping me throughout the project.

I express my sincere thanks to my friends S. Muthuvel, K. Maheswaran, K. Ganesh mahalingam and M.Subramanian for their support during the study period. I thank Mr. Kalidasan, President of OSAI, and Mr. Ganesh, Vice president of OSAI, Coimbatore, for their co-operation and extensive support throughout the study period.

I wish to express my gratitude to Mr. K.V.R.K. Thirunaranan, Founder, The Nature Trust, Chennai for helping in prize distribution to the student who gets highest marks during the Elephant conservation awareness tests.

I am indebted to Mr. Karthick Balasubramanian and Mr. Boominathan, Centre for Ecological Sciences, Indian Institute of Science. Bangalore, for their constant support and encouragement throughout my study. I express my sincere thanks to Mr. J. Jenish, Computer operator, Tiger Monitoring Centre, for his extensive help in the preparation of maps.

Most of all I thank my field assistants Mr. K. Bomman, S.M. Manikandan, K. Rahul for teaching me the jungle trails, co-operating with me in field works and taking care of my life while observing Elephant. I extend my thanks to drivers Ganesan and Kasi Bomman for their help in the field in many ways.

Finally, I wish to express my deep thankfulness to my father and mother, brother and family members, especially my brother-in-law Mr. S. Elavarasan and my wife Mrs. S. Sasikala, B.A.,B.Ed., who patiently allowed me to be in the field for long period and gave moral support which helped me to achieve this level. Finally I thank to Elephants of Mudumalai Tiger Reserve which co-operated and behaved nicely to enable me to collect the field data.

(G. Kannan)
