ACKNOWLEDGEMENTS

With God’s grace it is a pleasure to thank all those people who made this thesis possible. Though only my name appears on the cover of this thesis, a great many people have contributed to its production. I owe my gratitude to all those people who have made this thesis possible and because of whom my research experience has been one that I will cherish forever.

My deepest gratitude is to my supervisor Dr. Ritu Lehal, Head, Department of Applied Management, Punjabi University, Patiala, whose guidance and support enabled me to develop a deeper understanding of the subject. I have been amazingly fortunate to have a supervisor who gave me the freedom to explore on my own and at the same time the guidance to recover when my steps faltered. Madam taught me how to question thoughts and express ideas. Her patience and support helped me overcome many crisis situations and finish this thesis.

I warmly and whole heartedly appreciate the support and understanding of my parents-in-law. I am especially grateful to my mother-in-law who always accommodated me as a daughter and gave me full freedom to study. I am forever grateful to my grandparents and parents whose foresight and values paved the way for a privileged education for me. I am indebted to my parents for always encouraging wholesome bringing up while providing an ambience where an academic mind is celebrated. I feel blessed to have been able to watch and learn by example from the best. I cannot be grateful enough to my mother for giving me life, and for the counsel and unconditional support to go through it purposefully. My warmest regards to my brother-in-law, brother and sister who helped me in their own special way. I am grateful to my husband for selflessly and patiently sharing this entire journey with me. Thank you Amarpreet Singh for your constant support and encouragement and for always hearing me out. A big thank u to my little daughter, Mehar Dilnaaz Kaur for providing me the much needed lighter moments and love, and sincere apologies for depriving you of your mummy time.

I would like to express my gratitude to all working women at the numerous branches of the banks that I visited, for their help who obligingly and patiently gave me their time in responding to the questionnaires.

Thank you all for making this happen

Daljeet Kaur
