Acknowledgement

I express my high gratitude to Prof. Abhik Gupta, Department of Ecology & Environmental Science, Assam University, Silchar, for his constant supervision, constructive criticism, immense help and constant encouragement during the entire period of my research work.

I take this privilege to express my high gratitude to Prof. S.P. Biswas, Department of Life Sciences, Dibrugarh University, Dibrugarh for his constant supervision, guidance in field works, library help, productive censure, immeasurable help in compilation and analysis of data, correction of manuscript and unblemished encouragement during the entire period of my research work.

I am especially thankful to Dr. Rishi Das, Head, Deptt. of Zoology, Tinsukia College for his competent guidance, unvarying inspirations and incalculable help in doing my laboratory works.

I also extend my special thanks to Mr. Santosh Kumar Singh Abujam of Department of Life Sciences, Dibrugarh University, Dibrugarh and Dr. J.C. Das of Deptt. Of Zoology, Sibsagar College, for their profound help in all respect in carrying out my field works as well as helping in the identification of fish species.

My special thanks go to the Field Directors and the staffs of Namdapha Tiger Reserve for helping me in field works and data collection. Indeed, without their help it was impossible to carry out the works of this project.

I also extend my special thanks to Mr. Shovan Datta Gupta of Department Ecology & Environmental Science, Assam University, Silchar, for his immense help and constant encouragement during the entire period of my research work.

I am thankful to all the distinguished faculty members of Department of Ecology & Environmental Science, Assam University, Life Sciences Department, Dibrugarh University and WWF-Nature India for their indispensable co-operation and help during the entire period of my study.

I am thankful to all the distinguished Scientists of Zoological Survey of India, Itanagar, for their indispensable co-operation and help during the study by identifying the animal specimens, and technicians of Deptt. Of Fisheries, Arunachal Pradesh for their valuable help in analysis of chemical properties of water sample.

Finally above all, I acknowledge my gratitude to my much-lamented parents whose blessings led me to complete the project at this age and my wife and my children, without whose help in every aspects and constant inspirations during this entire period, I could not complete the research project.
