CERTIFICATE OF THE GUIDE ................................................................ iii

DECLARATION BY CANDIDATE ................................................................. iv

Acknowledgement ............................................................................. v

TABLES ................................................................................................... ix

CHART ...................................................................................................... xvi

FIGURES .................................................................................................. xxiii

DISSCRIPTIVE STATISTICS TABLES ................................................... xxiii

FREQUENCIES, Chi Square, Z and P Tables ........................................ xxv

Chapter 1 ............................................................................................... 32

1.1 Introduction .................................................................................... 32

1.2 Background ..................................................................................... 33

1.3 Meaning of Crop loan ..................................................................... 33

1.4 Reason for choice of topic ............................................................... 36

1.5 Why the period from 2003-04 to 2007-08 was Selected? ............... 38

1.6 Why Pune District Central Cooperative Bank was selected for the Study. ......................................................................................... 39

1.7 Purpose of the thesis ........................................................................ 40

1.8 Objectives of the study ..................................................................... 40

1.9 Hypothesis ....................................................................................... 41

1.10 Research Methodology ................................................................. 41

1.11 Definition of important terms ........................................................ 42

Chapter 2 ............................................................................................... 46

Brief Profile of Pune District and Pune District Central Cooperative Bank ...... 46

(A) Brief Profile of Pune District .......................................................... 46

2.1 Introduction ..................................................................................... 46

2.2 Land use pattern in Pune District .................................................... 47

2.3 Cropping pattern in Pune District .................................................... 48

2.4 Pattern of land holding in Pune District ........................................... 50

2.5 Rainfall in Pune District ................................................................. 51

(B) Brief Profile of Pune District Central Cooperative Bank ............... 51

2.6 Introduction ..................................................................................... 51

2.7 Objectives of the Bank ..................................................................... 52
5.4 Trend in Total crop loan in Kharif and Rabi Season from 2003-04 to 2007-08 ................................................................. 125
Chapter 6........................................................................................................ 127
Comparative analysis of crop loan, crop wise, at district level from 2003-04 to 2007-08 ................................................................. 127
Part A-Macro Analyses of Different Crops From 2003-04 to 2007-08.... 128
Part B - MICRO Analysis of different crops from 2003-04 to 2007-08 ............ 140
Chapter 7........................................................................................................ 197
Data Analysis................................................................................................. 197
  7.1 Introduction............................................................................................ 197
  7.2 Basis of Data Analyses........................................................................... 197
  7.3 Analysis of responses............................................................................ 200
Chapter 8........................................................................................................ 450
Discussion, findings and Hypothesis Testing................................................. 450
  8.1 Introduction............................................................................................ 450
  8.2 Statement wise findings and discussion .................................................. 450
  8.3 Hypothesis testing.................................................................................. 464
CHAPTER 9.................................................................................................... 508
Implementation of Crop Insurance Policy ....................................................... 508
  9.1 Introduction............................................................................................ 508
  9.2 Definition:.............................................................................................. 509
  9.3 History of Crop Insurance in India:......................................................... 509
  9.4 Objectives of Crop Insurance Policy....................................................... 510
  9.5 Procedural Aspect of the Policy............................................................... 511
  9.6 Comparative analysis of crop insurance policies for different crops from 2003-04 to 2007-08 .................................................. 513
Chapter 10..................................................................................................... 571
Summary, Conclusion, Limitation and Recommendations ......................... 571
  10.1 Summary .............................................................................................. 571
  10.2 Research Proposal ............................................................................... 571
  10.3 The Crop loan System ......................................................................... 574
  10.4 Objectives of the Study ....................................................................... 575
  10.5 Need for the present study and scope of the study.............................. 576
  10.6 Hypotheses .......................................................................................... 577
  10.7 Methodology and Sources of data ......................................................... 577
10.8 Main observations based on the analysis of data collective through field study ................................................................. 580
10.9 The conclusions drawn from this research (Thesis) .................. 582
10.10 Suggestions / Recommendations ........................................ 586
10.11 Limitations ........................................................................ 589
10.12 Scope for further study ........................................................ 590
End Notes .................................................................................. 591
Bibliography .............................................................................. 596

Questionnaire of farmers ................................................................. 604

Questionnaire of secretary of society .............................................. 607
