ACKNOWLEDGEMENTS

I express my deep sense of gratitude and profound thanks to my Professor M.S. Chikkagoudar, M.A., Ph.D., Ph.D. (USA) Department of Statistics, Karnatak University, Dharwar for all his guidance and continuous encouragement in carrying out this work. It has been my fortune and privilege to work under his guidance. His help, advice and never-ceasing flood of ideas have been the greatest source for me to carry on the studies reported in this thesis.

I am very much thankful to Prof. B.R. Bhat, M.A., Ph.D., Professor and Head, Department of Statistics, Karnatak University, Dharwar for his suggestions and keen interest in my work and for all the facilities provided in the Department.

My sincere thanks go to the Principal and the Management of PSG College of Arts and Science, Coimbatore for having given me encouragement and leave for three years under FIP Scheme.

I record my thanks to the UGC and Karnatak University, Dharwar for providing me funds and facilities to work under Teacher Fellowship Programme.

Blessings of my parents and encouragement of my wife, brothers and friends helped me very much during this period; I owe them all.
