ACKNOWLEDGEMENT

At the outset, I deem it a great pleasure to record my deep sense of gratitude to Dr. K.S. Amur, Professor of Mathematics, Karnatak University, Dharwad, for suggesting a suitable problem, encouraging and guiding throughout my work.

I am very much indebted to my teacher, Sri K.R. Srikantiah, Department of Mathematics, Central College, Bangalore, who in a way has been responsible for my academic career by helping me in various ways and introducing me to Dr. K.S. Amur.

I am also thankful to Prof. K. Ramamurthy, Head, Department of Mathematics, The National Institute of Engineering, Mysore and my other colleagues in the department for their kind co-operation and encouragement.

My thanks are also due to Karnatak University, for extending all the facilities during the course of my work.

Finally, I would like to thank my well wishers and friends for their encouragement.

Department of Mathematics, Karnatak University, Dharwad-580003.
