Lecturer in Education,

To

Dear Sir/Madam,

I am working on the problem "Developing a Battery of Tests for Selecting Candidates to Teacher Education Course" for Ph.D. Degree in Education. In this connection, I am sending herewith a tentative list of factors considered essential for success in teacher education course, which is based on the analysis of related literature and testing materials, and personal experience.

I shall be highly obliged if you could kindly go through the list and put (/) mark against those factors with which you agree and suggest additional ones, which, in your opinion are essential for success in teacher education course.

The attached sheet along with your esteemed responses may kindly be mailed to me at your earliest convenience.

Thanking you,

Yours Sincerely,

( I. M. Majagi )

P.S.:
The attached sheet may kindly be returned to me, duly filled in, by 15th Feb, 1976 at the latest.
