ACKNOWLEDGEMENT

In pursuit of this academic endeavour, I feel that I singularly fortunate, as inspiration, guidance, direction, cooperation, love and care all came in my way in abundance and it seems almost an impossible task for me to acknowledge the same in adequate term. I shall be failing in my duty if I do not record my profound sense of indebtedness and heartiest gratitude to my supervisor, Dr. Rashmi Tyagi, Assistant Professor, Department of Chemical Engineering, JUET, Guna, who guided and inspired me in pursuance of this work. Her association will remain a beacon light to me throughout my career.

I would like to give my sincere thanks to Dr. Y. Medury (COO, Jaypee Education System) for his consistent support throughout the research work. I owe a depth of gratitude to Prof. N.J. Rao, Vice Chancellor, JUET, Guna, who inspired me all along by his worthy advice, benevolent direction, thought provoking suggestions and time worthy interaction sessions. My special thanks are also due to Prof. K.K Jain, Dean of Academics and Brig. (Retd.) S.K.S. Negi, Registrar, JUET, Guna for their continuous motivation and encouragement.

I express my heartfelt and profound gratitude to Prof. D.S. Hooda, Dean of Research, JUET, Guna, for his kind help and co-operation rendered during the course of present study.

I am thankful to Prof. K.K. Tiwari, Visiting Faculty of JUET, Raghogarh, Guna and retired Professor of UICT, Mumbai for his valuable suggestions, support and encouragement throughout this work. I am also indebted to Dr. Hari Mahalingam, H.O.D, Department of
Chemical Engineering, JUET, Raghograh, Guna for all the facilities and support provided during the course of study.

I must thank to the **faculty members** of the Department of Chemical Engineering, JUET, Raghograh, Guna for their invincible support, co-operation and critical suggestions.

I wish to convey my special thanks to **Dr. V.K. Tyagi**, Professor, H.B.T.I. Kanpur, for his sincere advice and encouragement throughout this work. I am also grateful to the **staff members** of H.B.T.I Kanpur, for providing me the facility for surface analysis.

I express my pleasant thanks to **Dr. Nayab Ahmed** and **Ms. Sunita**, IIT Kanpur, for instrumental analysis. I am also thankful to the **staff of Central Library**, IIT Kanpur, for providing me an opportunity to search the reference material without which, I could not have proceeded for this assignment.

I am also thankful to the **staff of Central Library** of H.B.T.I Kanpur, for providing me the facility of literature survey.

I want to acknowledge the support of **Dr. Dipti Shukla and Dr. Shilpi Mishra** whose invincible support, cooperation and critical suggestions were worth praising.

My cordial thanks are due to all **lab incharges** of Chemical Engineering Department, JUET, Guna and especially I would like to thank to **Mr. Ajay Prajapati** who helped me a lot in computational work.

All the words in the lexicon will be futile and meaningless if I fail to express love.
affection, support, encouragement, co-operation and good wishes rendered by my father, mother, brothers (Rahul and Anshul), without which I would not have been able to complete my thesis.

Last but certainly not least, I am infinitely grateful to GOD for being my strength and refuge.
