ACKNOWLEDGEMENT

I am highly indebted to Prof. M.R.Kumbhar, Professor & Head, Department of Library and Information Science, Karnataka University, Dharwad, for his able guidance and incessant encouragement throughout the course of this research work.

I am grateful to the Authorities in M/s. Bharat Electronics Ltd., Bangalore-560 013 for having provided me an opportunity to carry out this study. I am also grateful to the Authorities in Mangalore University for having permitted me to continue the study and encouraged me to complete this thesis.

I am highly obliged to Late Shri. H.R.Bapusitharam, former General Manager, Bharat Electronics Ltd., Bangalore-560 013, who encouraged me to take up this assignment.

I am sincerely thankful to all my professional colleagues at Bangalore, Dharwad and Mangalore and Engineers at M/s. Bharat Electronics Ltd., Bangalore, for their encouragement, useful suggestions and help during the course of this endeavour.

I am thankful to Sri N. Dattatri, for neatly typing this thesis within a short time.

(V.G.TALAWAR)
