ACKNOWLEDGEMENTS

I bow to almighty with whose blessings present study has been completed. I am deeply indebted to my parents: Sardar Avtar Singh and Sardarni Amarjeet Kaur for their constant support and encouragement that sustained me all along the way during the accomplishment of my Ph.D. thesis.

It gives an immense pleasure to me for expressing my sincere gratitude to my supervisor Dr. Renu Bhardwaj, Professor, Department of Botanical and Environmental Sciences, Guru Nanak Dev University, Amritsar, for her kind supervision, guidance and encouragement throughout the course of this study. I also express my deep sense of gratitude to my co-supervisor Dr. A.K. Thukral, Professor, Department of Botanical and Environmental Sciences, Guru Nanak Dev University, Amritsar, for his guidance in helping me for statistical analysis of data and compilation of my thesis.

Thanks are due to Dr. Satwinderjeet Kaur, Head, Department of Botanical and Environmental Sciences, Guru Nanak Dev University, Amritsar and Dr. Adarsh Pal Vig, former Head, Department of Botanical and Environmental Sciences, Guru Nanak Dev University, Amritsar, for providing me the necessary facilities required for my research work. I wish to convey my sincere thanks to Prof. Avinash Nagpal, Prof. Saroj Arora, Dr. A.S. Soodan, Dr. M.S. Bhatti, Er. Bhupinder Pal Singh, Dr. Rajinder Kaur, Dr. Jatinder Kaur and Dr. Kirandeep Dhami, for their help in carrying out this study.

I convey my sincere thanks to my lab mates, all research scholars and friends for their whole hearted support and co-operation. I am extremely thankful to S. Malkiat Singh, office staff, non-teaching staff and Mali staff of the department for their assistance during the course of my work. I take this opportunity to thank all the people who have directly or indirectly helped, instructed and taught me through the course of my journey for the accomplishment of this task.

I am gratified to my grandparents: Sardar Mohinder Singh and Sardarni Mukhtiar Kaur, for their blessings and motivation which were invaluable for me to achieve this goal. I am also thankful to my brother Mr. Kuldeep Singh and Sister-in-law Mrs. Sarabjeet Kaur for helping me in every possible way and also bearing my absence during course of research work.

I am grateful to IIIM, Jammu for providing me laboratory facilities for sample analysis.

I gratefully acknowledge the financial support provided by Department of Science and Technology (DST), Ministry of Science and Technology, Government of India, New Delhi, India.

(Harpreet Kaur)
