ACKNOWLEDGEMENT

Behind every success there are lots of efforts, but efforts are fruitful due to hands making the passage smoother. I express my deep sense of gratitude for the hands, people extended to me during my work.

Firstly, I offer my adoration to ALLAH who created me, gave me the strength and courage to complete my dissertation and gave me the opportunity to thank all those people through whom his grace was delivered to me.

I am especially deeply indebted to my research guide, Dr. D.V. Gowda, Department of Pharmaceutics, JSS College of Pharmacy, Mysore, under whose able and invaluable guidance, this entire research work was successfully completed. I am thankful for his constant source of encouragement and support, which provided the impetus and paved the way for the successful completion of the research work.

I thank His Holiness Shri Shri Shivarahari Deshkendra Mahaswamiji and JSS Management, JSS University for providing the necessary infrastructure and support to undertake this work.

I sincerely thank Dr. H.G. Shivakumar, Principal, JSS College of Pharmacy, Mysore for providing necessary infrastructure and moral support.

It is my privilege to express my heartfelt thanks to Dr. P. K. Kulakarni, Dr. P. M. Pramod Kumar, Department of Pharmaceutics, JSS College of Pharmacy for his guidance and encouragement throughout the research work. I owe my humble thanks to the faculty members of JSS College of Pharmacy, Mysore, Dr. Vishal Kumar Gupta, Dr. Hemant K. S. Yadav, Mr. Valluru Ravi, Mr. B. M. Gowda and Mr. B. Vishwanathan for their help and encouragement towards my work. Special thanks to Dr. Afrasim Moin whose continuous help and guidance made me overcome every problem in my research work.
I am thankful to Dr. S. N. Manjula, HoD & Professor and Dr. K. L. Krishna, Asst. Professor, Dept. of Pharmacology, who helped me in carrying out animal studies and HPLC experimental part of my research work.

Sincere thanks to Dr. Eric Cox, Professor, Dept. of Medicine, Ghent University, Germany, whose continuous guidance helps me to successfully complete my research work.

A special thanks to Vikram Thermo, Ahmedabad & Evonik Degussa, Mumbai for providing me the gift sample of Eudragit L00 & Eudragit S100 for my research work.

I sincerely thank all the non-teaching staff especially Somanna for their help and co-operation. I am thankful to Mrs. Namithashivanna Librarian and her staff for the needed help and consideration during literature search.

It gives me immense pleasure to record my sincere thanks to my colleagues & friends Anil, Rohan, Nawaz, Paneer, Ummi and my juniors Rohitash, Sujay, Suresh, Anand, Imran, Zuwad and Pritesh Patel for their support during my research work. I also acknowledge with heartfelt thanks to my friends Tabreez, Muzaffar, Azmat, Ashwani for their constant support and help.

I pay tributes to my mother, father, brother and my in-laws for encouraging me and for their love, trust, patience and support and bearing all kinds of stress to make me what I am. I thank Afifa for her ever-growing support, care and faith in me during my work.

I would like to thank all those who have helped me directly or indirectly to complete this work successfully.
