ACKNOWLEDGEMENT

It gives me great privilege to express my gratitude to my Research Supervisor, Dr. K. Nataraja, M.Sc., Ph.D. (Delhi), Professor of Botany, Registrar (Evaluation), Karnataka University, Dharwad for giving me an opportunity to continue my studies in the field of Plant Tissue Culture. I am indebted for his encouragement and valuable guidance.

I am thankful to the Chairman, P.G. Department of Studies in Botany, Karnataka University, Dharwad for providing necessary facilities. I also express my sincere thanks to all the members of the staff and research colleagues of the Department of Studies in Botany, Karnataka University, for their help in various ways.

I also thank Dr. B.B. Madalageri, Senior Horticulturist, University of Agricultural Sciences, Dharwad, for providing the materials.

I owe very much to the support and encouragement of my parents, Smt. Sushila and Professor T.K. Meti, parents-in-law; Smt. Parvathamma and Sri. G.S. Shivashankarappa, brothers-Vijay, Shivu and sisters-Anita, Veena and Reshma.

I am extremely grateful to my husband, Dr. G.S. Karibasappa and my daughter Saudhamini for their patience and keen support.

The award of Research Studentship by the Karnataka University during the studies is duty and thankfully acknowledged.

Finally my appreciations and thanks are due to M/s, Netware Computers, Opp. M.G.Bank, Belgaum Road, Dharwad for their prompt and neat work.

Dharwad. 
June, 1996

Neelambika T. Meti
