ACKNOWLEDGEMENT

I express my profound gratitude to my research supervisor Dr. V. B. Mahale for his valuable guidance, encouragement and fruitful discussions throughout these investigations.

I am highly indebted to Prof. C. S. Mahajana Shetti, Chairman, Postgraduate Department of Studies in Chemistry, Karnatak University for providing facilities during the course of this research. I am also thankful to Prof. G. S. Puranik and Prof. M. Madaiah former Chairmen of the Department of Chemistry for their help and encouragement.

I am grateful to Dr. Ramdas M. Pai, Executive director, and Prof. Alladi Prabhakar, Principal, Manipal Institute of Technology, Manipal for their encouragement and granting study leave to undertake the research work.

My regards are due to Prof. K. R. Bhat, Head, Department of Chemistry, M.I.T. Manipal for his inspiration and support to undertake the research work. I wish to express my sincere thanks to my colleagues in the department Prof. M. V. Kini, Prof. Srinivas Rao, Prof. U. V. Bhat, Prof. Y. K. Bhat, B. S. Nat'araja, J. B. Lobo, S. R. Somayajee and P. M. S. Hebbar for their affectionate cooperation and encouragement to undertake this task and complete it successfully. My thanks are also due to P. K. Kulal for his needful help and other non-teaching staff members of the chemistry department for their good wishes.

Thanks are due to my research colleagues Dr. V. K. Revankar, Dr. V. H. Arali, Miss. N. M. Salunke, Prof. K. Shivamathy, S. B. Harogoppad, S. A. Kalyani and A. A. Javali for their cooperation in completing this work.
My immense thanks are due to Dr.H.V.Sudhakar Nayak, Professor Department of Metallurgy, KREC, Surathkal for all possible help and providing facilities to carry-out thermoanalytical and X-ray diffraction studies.

Help rendered by Dr.M.S.Bhat, IISc. Bangalore and J.S.Bhat, Lecturer, S.D.M.College of Engineering Dharwad is gratefully acknowledged.

My heartfelt thanks to my wife Smt.Vidya and my son Sriram for their constant support and patience in carrying out this research.

Dharwad
