ACKNOWLEDGEMENTS

With the greatest pleasure, I record my deep sense of gratitude to my Research Supervisor Prof. S. B. Mathad, M.Sc, Ph.D (McGill), Sigma XI (USA), F E S I, for his most valuable guidance, high spirited encouragement and inspiring discussion throughout the research work. I am also grateful to Dr Mathad for awarding me the Research Fellowship under the UGC Major Research Project sanctioned to him as the Principal Investigator.

I sincerely thank Dr S. K. Saidapur, Prof and Head, Dept of Zoology, Karnataka University, Dharwad for the necessary facilities.

I am indebted to Prof. V. B. Nadakarni, Dr C. J. Savanurmath, Dr V. L. Kallapur and Prof. S. Basalingappa for their help, valuable suggestions and technical advice during the research work.

I gratefully acknowledge the financial assistance granted by the University Grants Commission, New Delhi, in the form of Junior Research Fellowship to me to carry out the research work.

I extend sincere thanks to my research colleagues for their timely help and technical assistance.

My heartfelt thanks are also due to Shri T. H. Miskin, Junior Engineer, UAS, Dharwad, for the unreserved help and encouragement in my research work.

I acknowledge my gratitudes to Dr. Anand Nadgir and his family for the cooperation and help rendered for the computer work.

My thanks are also due to Dr. I. D. Shetty, Dept of Statistics, Karnataka University Dharwad, for invaluable suggestions and technical advice.

I express my grateful thanks to revered parents and other family members for their moral support and immense encouragement during the tenure of my research studies.

Dharwad
