ACKNOWLEDGEMENT

At the very outset I would like to offer my heartfelt gratitude and sincere thanks to my mentor guide Dr. Rajib Lochan Goswamee, Principal Scientist, CSIR-NEIST, Jorhat, Assam for motivating my wishes in every tough part of my research tenure. His constant inspiration, constructive criticism and valued guidance enabled me to complete my thesis without any hurdle. I shall be remaining ever grateful to him for all his help during this period.

I wish to express my sincere gratitude to my esteemed supervisor Prof. Chira Ranjan Bhattacharjee, Department of Chemistry, Assam University, Silchar, Assam for his effort to help me in all possible ways to accomplish my work in my research tenure. His cheerful disposition, constant inspiration and cordial demeanour helped me to forget all the hurdles that came in my way during my research period. I will remain grateful to him forever.

I sincerely acknowledge Dr. R. C. Boruah, Acting Director, CSIR-NEIST, Jorhat, Assam for giving me the opportunity to carry out my research work at this institute and for providing me with all the necessary laboratory facilities.

Sincere thanks are due to Dr. P. Sengupta, Chief Scientist and Head, Materials Science Division for his kind suggestions and help.

I offer my gratefulness to Dr. S. D. Baruah (Head) and Mr. A. Sarmah of Petroleum and Natural Gas Division, CSIR-NEIST, Jorhat for their kind help during my research work. I extend my gratefulness to Mr. P. Goswami. Dr. (Mrs) A. Goswami. Mr. N.C. Gogoi of Chemical Engineering Division, CSIR-NEIST, Jorhat for their valuable help in different activities of my research work. Sincere thanks are due to Head, Analytical Chemistry Division, CSIR-NEIST, Jorhat for their immense help in GC set-up in the QMC. I offer my special thanks to Mr. P. Khound for his valued help and kind suggestions during ‘Gas-Solid’ reactivity experiments. I offer my heartfelt thanks to Mr. J.J.Bora for his kind help in my research work. I express my sincere regards and thanks to Dr. (Mrs) J.Goswami for her moral support and valuable suggestions in every aspect of my research life.
Valuable help in different analytical aspects from Dr. S.D. Bojja, CSIR-IICT, Hyderabad. Dr. U.K. Gautam, JNCASR, Bangalore and Dr. N. SenSharma, IASST, Guwahati gratefully acknowledged.

I wish to acknowledge the kind advice and valuable help from Mr. R. Goswami, Lumding College, Lumding during my research work.

I am grateful to CSIR. New Delhi for providing financial support in NWP (0010) and CSIR-Senior Research Fellowship.

I express my sincere thanks to all the scientists of Materials Science Division for their encouragement in every possible way to accomplish the work during this period. I would also like to extend my heartiest appreciation to all the technical and non-technical staff members of Materials Science Division for their help and kind cooperation. Special thanks are due to Mr. B. Gayan, Mr. Himangshu Bora, Mr. N Gogoi, Mr. M. Saikia and Mr. P. Kalita for rendering me their valuable help in ‘Gas-Solid’ reaction experiments in the pilot plant of Materials Science Division. Thanks are also to all the Research Scholars of Materials Science Division as well as other divisions of this institute for their suggestion and cooperation.

The invaluable supports rendered by the Analytical Chemistry Division, Glass Blowing, Knowledge Resource Centre, H.R.D cell, General Stores are gratefully acknowledged.

Sincere thanks are due to all the faculty members of the Department of Chemistry, Assam University, Silchar for their valued help and support in different aspects of my research work.

The invaluable help during this tenure from the office staff of the Department of Chemistry, Assam University, Silchar are highly appreciated.

Thanks are also due to all the Research Scholars of the Department of Chemistry, Assam University, Silchar for helping in many aspects.

I feel privileged to express my sincere gratitude and heartfelt thanks to all my teachers from 2 No. Town Primary School, Sivasagar, F.G.H.S.School, Sivasagar, Sibsagar Girls' College, Sivasagar. B. Borooah College, Guwahati. Deptt. Of Chemistry, Gauhati University, College of Education, Guwahati for their valued teaching and guidance to reach this goal.
Finally, from the core of my heart, I thank my parents, younger brother Prakitish and younger sister Jyotismita for giving me unconditional love and support, both during my good and tough times and for their countless sacrifices for my research period. Special thanks are due to my friend Mr. Amalesh Sharma for his moral support and encouraging words during this important period of my life. Without their support and encouragement, I would have never reached this position to write the Thesis.

I am also thankful to my all other family members and well wishers for their encouragement.

Lastly, I thank the Almighty for His blessings throughout the journey of my research.
