

A C K N O W L E D G E M E N T

It is my pleasant duty to express my deep sense of gratitude and offer my humble and sincere thanks to Dr. B.C. Patil, Reader, Department of Botany in Karnataka University Dharwad, Who has been a constant source of inspiration and guidance to me in the pursuit of my Ph.D. and in preparation of thesis.

I must also record my thanks to Prof K. Nataraja, former Chairman and Prof A. Ramalingham, Chairman, Department of Botany, Karnataka University Dharwad, for permitting to utilize the Laboratory facilities during the course of investigation.

I am highly grateful to Prof. C.P. Katti, Department of Agronomy, UAS Dharwad, for his kind help and suggestion.

I am grateful to Dr. R.R. Hegde and all my teachers of the Department for kind help and valuable suggestions.

I thanks my colleagues and friend Mr. V.D. Mendhulkar and J.C. Nidgundi for kind co-operation and help during course of investigation and also extend my thanks to Miss. R.Vijaya, Reader M.C. College Bangalore for encouragement during my M Phil.

I thank my friends to Dr. A.G. Kamath, Dr. V.R.Bhat, and all other friends and colleagues for their kind co-operation during research work.

I also thank to V.N.Bhat, N.T. Chalgeri and all non-teaching staff of the department for help and co-operation during my research.

I acknowledge the help and co-operation extended to me by the Department of Biochemistry, UAS, Dharwad.

I am gratefully indebted to my parents, uncles, brothers, and sisters, without whose help I would not have dared to pursue my studies.

I would be failing in my duties if, I do not acknowledge with gratitude, the help and encouragement made by beloved Uncles, Shri M.S. Bhat, Dr. N.S. Bhat and my Brothers, Manjunath (Appi), Shridhar, Vishnu, Rama and Subramanhya.

I thank to Mr. Krishna Rao who has typed thesis so nicely.

I apologize if, inattentively, the name of some generous contributors have been omitted.

I acknowledge to Karnataka University Dharwad for award of Fellowship.
