ACKNOWLEDGEMENTS

It gives me great pleasure to express my deep sense of gratitude to my research supervisor Dr. K. Nataraja, M.Sc., Ph.D. (Delhi), Professor and Chairman, Department of Botany, Karnataka University, Dharwad for giving me an opportunity of participating in research endeavour in the field of Plant tissue culture. I am ever indebted for his constant encouragement and invaluable guidance which enabled me to accomplish these studies.

I also desire to place on record my sincere gratitude to my Father Shri. N. Shankar and brother Shri. S. N. Prasad for moral support and encouragement.

I am extremely grateful to my in-laws. Smt. & Shri. K. Sathyanarayana, husband, Shri. S. L. N. Swamy, grand-mother Smt. Susheelamma who have been helpful in successful completion of this work.

I am particularly thankful to my research colleague Smt. Chandrika M. Kulkarni for her help in photography.

My special thanks are due to Smt. & Shri. Dr. A. D. Janawade and to all my friends and well wishers for their help in many ways.

The award of Research studentship (1988-1992) by Karnataka University is gratefully acknowledged.
