ACKNOWLEDGEMENTS

It gives me great pleasure to express my sincere gratitude to my Research Supervisor, Dr. G.R. Hegde, M.Sc., Ph.D., F.S.S.E., Reader, Department of Botany, Karnataka University, Dharwad for his kind interest, sustained patience, able guidance in the research work, gentle behavior and noble treatment during the entire course of the studies.

I am indebted to the University Grants Commission, New Delhi for financial assistance. My sincere thanks are due to Dr. K. Nataraja, Professor and Chairman, P.G. Department of Botany, Karnataka University, Dharwad, for providing me the facilities to carry out the work. I am also thankful to all my teachers in the P.G. Department of Botany for their very kind encouragement and help.

I am extremely thankful to Shri. Kiran. S., Shri. Naik. P.R., Shri. N. Y. N. Goudar, Shri. Huddar. B. D., Shri. Krishnamurthy, S. R., Shri. Kale, Y. S., and Urankar. S. S. and other research colleagues of the Department for their help in many ways without which this work would not have been completed within the stipulated period of time.

I am extremely grateful to my brother-in-law Shri. Niranjan Pujar and Shri. Maradeppa Kacharabai for their help and encouragement.
I express my deep sense of gratitude to my father, mother, sisters and family members for their sustained interest and encouragement.

Dharwad
