ACKNOWLEDGEMENTS

I express my deep sense of gratitude to Prof. (Dr.) B. Neelakantan, Chairman, Department of Marine Biology, Karwar for his excellent guidance, incessant encouragement and constructive criticism during the course of this research.

My gratitude is due to Prof. H. P. C. Shetty, Director of Instruction, Fisheries College, Mangalore for his constant encouragement and inspiration.

I avail this opportunity to record my sincere thanks to Dr. (Mrs.) Kusuma Neelakantan, Reader, Dr. U. G. Bhat, Lecturer of Department of Marine Biology, Karwar, Dr. S. N. Harkantra, Scientist, National Institute of Oceanography, Goa and Dr. R. Sudarshan, Scientist, National Remote Sensing Agency, Dehra Dun for their kind assistance at various stages during the period of this study.

My sincere thanks to Dr. Laxmikant Bhat, Research Associate, NIO Field Branch, Andaman, Mr. Shanker Bhat, Scientist, NIO, Goa, Mr. Sanil Kumar, KREC, Suratkal and Mr. Mathew, ZP, Karwar for their help in computer analysis of the data.

During the course of this study, unforgettable help in the form of advice and reprints of the papers provided by various renowned scientists, both from India and abroad is gratefully acknowledged.

I am specially indebted to Dr. Ulhas G. Naik, Research Associate, for the flawless task of drawing excellent figures, Mr. C. R. Reddy and Mr. B. Shivabalai of Department of Marine Biology, Karwar for
rendering unfailed help throughout. I am also thankful to Dr. H. Shanmukhappa, Dr. P. N. Prasad, Mr. A. S. Raffiuddin, Mr. Vishnudas Gunaga, Mr. Ratish Menon, Mr. Gajendra Naik, Mr. Girish Menon and other colleagues for their timely help during the period of research.

My thanks to Dr. Kadi, Lecturer, Mr. S. N. Hegde of Department of Statistics, KUD, for the help in the statistical analysis and to Mr. Harihar, Programmer, Computer Centre, Karnatak University.

My parents, brothers, sister and other members of the family have been always a source of inspiration without whose support and encouragement, this task would have remained dormant, for which I owe them deep sense of gratitude.

I am thankful to Sri Chandrakanth Harkantra, Sri Damodar Patkar, Sri Anand Naik and other members of the non-teaching staff of Department of Marine Biology, Karwar for extending ever demanding help.

I am thankful to the Karnatak University, Dharwad for their financial help granted in the form of a research studentship.

Karwar
