ACKNOWLEDGEMENT

I express with a deep sense of gratitude and with great pleasure, my heartfelt thanks and indebtedness to my research supervisor, Dr. B. M. Swamy, Reader in Biochemistry, Karnataka University, Dharwad, for all the kind encouragement, sustained interest and affection that I received throughout my tenure as a research student. Indeed, I consider myself to be extremely fortunate to have come under the shelter of his scholastic arena, intellectual magnetism and awe inspiring personality.

I have absolutely no words to express my deep sense of gratitude to Dr.(Mrs.) Shashikala R. Inamdar, my teacher, for her everlasting interest, moral support, encouragement, and more than these, the parental care I received throughout my research tenure.

I am highly obliged to Dr. B. G. Pujar, who was part of this research project, for all his interest in the progress of these studies. Also, I sincerely thank him for providing all the facilities to carry out my research work; at the department of Chemistry, K.U.Dharwad. I always respect his generosity.

I thank Dr.S.B.Hinchigeri, chairman, Department of Biochemistry, and Dr.L.D.Basanagoudar, former chairman, Department of Chemistry, for providing me all the facilities to carry out my research work and their encouragement.

I am very grateful to Dr. Shrikanth Kulkarni, Professor of plant pathology, University of Agricultural Sciences, Dharwad, for providing plant pathogenic fungal species, and for useful discussions. I wish to record my thanks to Dr.N.N.Godbole, and Dr.(Miss) Shobhana V. Bhide, University of Poona, Pune, for their help in conducting mitogenic studies. Thanks are also due to Dr.G.Sivakumar Swamy, Professor of Botany, Karnataka University, Dharwad, for his valuable suggestions in the course of this work. I also record my sincere thanks to Dr. Kumar, Professor of Oral Pathology, S.D.M. Dental College, Dharwad, for his help in carrying out phase contrast microscopy studies.

I take this opportunity to thank my teachers, Dr.(Mrs.) R.S.Bennur, Dr.J.R.Gadag, Dr.H.Z.Ninnekar, Dr.V.K.Revankar and Dr.M.V.Kulkarni, for their affection, concern and encouragement during my research tenure.

I thank Shri Deshpande, Shri Kadlimath, Smt. Murgod and other staff of USIC, K.U.D., for their help in using the facilities. I thank wholeheartedly Mr.C.G.Hungund, Senior Lab. Asst., for his unreserved help during the research tenure.

It is indeed a great pleasure to recall my memory of some of my friends like Dr. Ullas N. Shetti, Mr.Kiran Y. Anklekar and Dr. H.T.S. Phayade who made my stay all these days a pleasant experience. I
would like to express my heartfelt thanks to my friends Mrs. Geeta Pradeep Shetty, Gangadhar Nayak, Shivananda and Miss Tanuja, for their affection and constant encouragement.

I would like to thank my research colleagues, Mr. H.M. Vamadevaiah and K. Dhananjaya, for their help and cooperation. I am highly indebted to Mr. Hemanth Naik for all his help in preparing figures, and Mr. Vinayak Nayak for his help during preparation of thesis. Sincere thanks are also due to Mr. Nagaraj Katagi, Dr. Rajesh Bhat, Mr. R.R. Kavali and Mr. V. N. Ankolekar who were on their feet to help in one or the other way. Thanks are due to other research colleagues, Messrs. H. M. V. Swamy, S. A. Patil and H. P. Doddamani for their kind cooperation.

I would like to thank Dr. Sanjeev R. Inamdar, Research Scientist, Dr. Lata R. Inamdar, Trupti Nursing Home, Bangalore, for their affection, encouragement and help. I am failing in my duties if I do not acknowledge the help and encouragement extended by Shri. Aravinda V. Shanbhag. Sincere thanks are also due to Shri Venkatesh N. Naik and Mahadeva H. Naik, for their affection, help and encouragement.

On the threshold of my success, only thing that remains for me is to be grateful to my family members whose blessings and sacrifices made this endeavour a reality for me. I am very much grateful to my mother Bhavani, father Subbayya M. Naik; uncles, Mahadeva, Ishwar and Timmappa; aunts Sujata, Shreemati and Susheela; brothers, Shekhar and Nagesh. I am also grateful to my sisters and their family; Smt. Nagaveni-Shri Ganapathi T. Naik and Smt. Lakshmi-Shri Appayya G. Naik, for their affection and encouragement.

I gratefully acknowledge the financial assistance of Council of Scientific and Industrial Research, New Delhi, in the form of research fellowship awarded to me.

Finally, I remain indebted to all those who inspired me with love and affection.
