ACKNOWLEDGEMENT

I am greatly indebted to my Guide Prof. M.R. Kumbhar, without whose guidance, help, advice, encouragement and threats, this research work would have never been taken up, done and completed.

I am grateful to Dr. G. Bhattacharya, but for whose work on General Theory of Subject Indexing Language and on Deep Structure of Subject Indexing Language, this investigation would not have been possible. I am indebted to him for the many valuable suggestions he gave during the course of this research work.

I am grateful to Prof. A. Neelameghen, who decided that I should become a teacher of Library and Information Science and who has been and is a source of inspiration and encouragement to me in my research work.

I am indebted to Dr. B.P. Adhikari, Mr. M. Kothanda Ramanujam and Dr. C.R. Karisiddappa for their encouragement and help.

I am obliged to all the authors cited by me in this thesis whose names are given in the List of Cited Authors.
I am thankful to Ms. Chudamani and Mrs. Maya Bhattacharyya for providing me with the documents I needed for this research.

I am grateful to Mr. R.K. Subramanian, the 'Yama Dharman of Typing' for his timely help in bringing out this thesis in typewritten form.
ACKNOWLEDGEMENT

I express my sincere gratitude to IBM/370-155, PRIME- 450 and Zenith Orion - 8000 respectively, main-frame, mini and micro Computers, for their sincerity and mercifulness in obeying my programs and producing the desired results.
