ACKNOWLEDGEMENTS

I am deeply indebted to Dr. S. L. Sangam, Reader, Department of Library and Information Science, Karnataka University, Dharwad for generously accepting me to work under his supervision. I have no words to express my deep sense of gratitude to him for his valuable guidance, continuous support and encouragement in completing this work.

I gratefully acknowledge my thanks to Prof. C. R. Karisiddappa, Professor and Chairman, Department of Library and Information Science, Karnataka University, Dharwad who is a source of inspiration for me to do research and without whose constant support, encouragement, help and concern I would have not completed this work.

I am grateful to the authorities of our Kakatiya University, Warangal for permitting me to do research here and providing me the necessary infrastructural facilities and sanctioning the leaves as and when required in pursuing my research endeavour.

I am also thankful to our Library Incharges, Prof. V. Bhaskar Rao, Prof. B. Kesava Rao and Prof. T. Rajendranath for their co-operation and support in carrying out my research work. Also, I am thankful to all our Library Staff for their co-operation, help, understanding and support.

My immense gratitude to Prof. C. Sivarama Krishna, Department of Economics, Kakatiya University, Warangal who helped me through creative interaction to understand, analyse and interpret the data.

I am equally thankful to Sri Sundaresh Peri, Lecturer in Statistics, Kakatiya Medical College, Warangal for his help in analysing and testing the data with appropriate statistical tools by using his computer even in the late nights.

I gratefully acknowledge my thanks to Prof. A. Shankaraiah, Kakatiya University, Warangal for his moral support and constant encouragement in completion of my research work.

I am sincerely thankful to all those Professionals working in other libraries who have co-operated and shared
their views and experiences in responding the questionnaire to carry out my research work.

I will be failing in my duty if I do not thank all my family members, particularly to my wife Bharathi, who in spite of domestic responsibilities, given me all encouragement and association all through my research work patiently and my brothers Laxman, Vijay Kumar for their constant support and helping hand. I also particularly thank my younger brother Anil and elder son Praveen who have taken pains in feeding the huge data into computer; my daughter Usha sister Sunitha and sons Sharavan and Prem in helping me to compile, tabulate, compare and check the data during late hours in the nights; my sister Sharada and brother-in-law Ramesh for their wholehearted support and co-operation during the data collection and writing.

My hearty thanks to Prof. N. Laxman Rao, Osmania University, Prof. P. Kamaiah, Sri Krishnadevaraya University, Mr. M. Satyanarayana and Mr. V. Rajaswamy and their family members for their moral support, encouragement and co-operation. I also thank Prof. A. A. N. Raju, Head, Department of Library and Information Science, Osmania University, Hyderabad and Sri L. S. Ramaiah, Librarian, Central Institute of English and Foreign Languages, Hyderabad for their constant encouragement and support.

I thank Mr. S. Venkateshwarlu, Mr. M. Anjaiah and Mr. Ravindrachary, Library Professionals who have accompanied me in collecting the data for my research work. I also thank Mr. M. A. Ravoof and Ms. M. Swarnalatha who have helped me in typing the draft patiently.

Lastly, I am thankful to all those who have helped me directly or indirectly in one or the other way during the course of my research work.

Dharwad
