ACKNOWLEDGEMENTS

I take this opportunity to express my deep sense of gratitude and indebtedness to my guide and supervising teacher Prof. K.R. Mallappa, Retired Professor of Psychology, Karnatak University Dharwad and at present Visiting Professor, University of Mysore. Without his help this work could not have been completed. Whenever I came across difficulties, he was always there to help me. His valuable suggestions and effective guidance were always available to me in data collection, consolidation and presentation of data or writing and finalizing the report.

I would like to acknowledge Dr. Mewa Singh, Reader, Department of Psychology, University of Mysore, who spent considerable amount of his valuable time before the computer in analysing the data and preparing the Figures. I express my sincere gratitude to him.

My thanks are due to the authorities of different schools of Hubli-Dharwad Corporation and the students for their cooperation during the collection of data.

I also express my deep sense of gratitude to our Principal Prof. A.C. Ramakrishna, Maharani’s Arts College, Mysore, for providing and permitting me the necessary facilities to complete this work.
I express my sincere gratitude to the Chairman, Department of Psychology, University of Mysore, for providing necessary facilities required for the completion of this work.

I thank Dr. Jyothi S. Madgaonkar for her inspiring guidance and encouragement to complete this work. I also thank Mr. Rangachari and Mr. Ramaswamy for typing the manuscripts neatly.

I express my deep sense of gratitude to my husband and my son who were a source of inspiration to me at this age to complete the work. I also express my heartful gratitude to my in-laws and my parents in this connection.

I thank all those who have directly or indirectly helped me in my work.

Dharwad
