ACKNOWLEDGEMENT

First and foremost I thank God Almighty for strengthening me and providing the good hearts to achieve this goal.

Secondly I am deeply indebted to thank Dr. V. Saravanan, Professor & Dean, Department of Computer Applications, Sri Venkateswara College of Management & Computer Applications, Ettimadai, Coimbatore and it has been an honour to be his Ph.D. student. I express my gratitude to him for all his contributions of time, ideas and funding to make my Ph.D. experience productive and stimulating. The joy and enthusiasm he had for my research is contagious and motivational for me, even during tough times in the Ph.D pursuit. The unfailing interest, he had for my topic and the constant encouragement given to me at every stage of this research work.

I express my sincere thanks to the authorities of Bharathiar University, Coimbatore for giving me an opportunity to undertake this work leading to Ph.D degree.

I thank the doctoral committee members, Bharathiar University, Dr.T.Devi, Dr.R.Rajesh and Dr.M.Punithavalli for their valuable suggestions and comments during doctoral committee presentations.

I bestow my gratitude to Mr.M.L.Bright, Secretary, Kaypeeyes College of Arts and Science, Kotagiri for his constant inspiration and encouragement.
I extend my warm regards to my co-researchers Dr.J.Rajan, Dr.J.Jebamalar Tamilselvi, Dr.R.Jayabrabu, Dr.P.Ranjit Jeba Thangaiah and Dr.A.Pankaj Moses Monickaraj for their thought provoking ideas and suggestions.

It is my pleasure to thank the co-scholars Mr.D.Muthuraj, Mr.A.Jebamalai Robinson, Mr.K.S.Maharasan, Mr.J.Jelsteen, Mr.B.Rajendran and Mrs.S.Anuradha who have directly or indirectly encouraged me throughout the period of my research work.

I extend my heartfelt thanks to Dr. P. Jacob Vedharaj Associate Professor, Department of Computer Science, NMCC, Marthandam and Mr.E.Bharanidharan, Senior Programmer, Infosys, United States of America for their valuable suggestions and ideas.

My thanks are due to both Prof. A.Wilby Premkumar, Professor(Retd), Department of English, Periyar EVR College, Trichy and my mother Mrs.Y.Flory Gnanajoy, Headmistress(Retd), Govt High School, Nagercoil who went through the thesis and gave suggestions in correcting the language of this thesis.

I express my thanks to my well wishers Ms. S. Varalakshmi, Teacher(Retd), Govt Higher Secondary School, Chidambaram, Mr.C. Kumar, Purchase Assistant, Karunya University, Mr.I.Justin Peter, Office Assistant, Karunya University and Dr.E.Bennet Ebenezer, Quality Expert, Quality Assurance Department, Ministry of Manpower, Sultanate of Oman.

For my parents who raised me with a love of Mathematics and supported me in all my pursuits. I have learnt a lot of my life’s lessons from my parents, specially my father Dr.V.Ganesan Professor(Retd), Department of Statistics, Periyar EVR College, Trichy. One of the most important ingredients that goes into making a good researcher is curiosity.
My father has contributed a lot towards increasing my curiosity and the spirit to seek a deep understanding of the world around me. He always encouraged me to ask as many questions as possible and tried his best to answer them. Along with my parents, I would also like to thank my sister Prof.G.Abi Beaulah Assistant Professor & Head, Department of Bio-chemistry, Auxilium College, Vellore and her family for having showered so much love on me since my childhood.

I would also like to thank all my friends for the great time I have always had with them. Apart from the fun, some of my friends have also been a great source of learning and inspiration. Many more people have touched my life in many wonderful ways. I would like to convey my sincere appreciation and heart-felt gratitude to one and all.

Lastly, I would like to thank my family, special thanks to my wife Mrs.J.Jenifer Winsley, Teacher, Kotagiri Public School, Kotagiri whose faithful support, love, patience, encouragement and also to my loving sons Master.A.Benn Gabriel and Master.A.Jerush Samuel who have always been cheering me up during the tough times of research.

G. ABEL THANGARAJA
