

APPENDIX - IV

Y.C. Prison,
30-11-'32.

Dear Friend,

I have your letter. It is my firm opinion that Yeravada Pact is much better than the Premier's decision. It gives many more seats than the Premier's decision and it provided against the election of any candidate who is not in the first place approved by the majority of Harijans. So far as the view is concerned, I suppose I must be allowed to judge whether it was broken or kept. I am certainly not in favour of special electorates for merchants, landlords and others.

Yours Sincerely,
