ACKNOWLEDGMENT

First and foremost, I am grateful to the almighty GOD for showing his blessings on me through this investigation.

It is an honor for me to express thankfulness and regards to my guide Dr.K.Murugan, Reader, Department of Microbiology, KSR College of Arts and Science, Tiruchengodu, Namakkal for giving me this opportunity. Words are not enough to express my gratitude for his constant encouragement, topic suggestion, supervision, correction of manuscripts, kind advice and moral support. I would also like to thank him for believing in me and trusting me to endeavor into new an area of research. Without his faith, I would have never been able to complete this project successfully and obtain a fantastic opportunity to work. All in all, it is my fortune and so I am proud to have him as my guide. I think this is the right-time, acknowledge to Mrs.Mangala Nagasundari for her kind affection.

I am very grateful to Rev.Fr.Dr.S.Ignachimuthu.S.J., Director, Entomology Research Institute, Loyola College, Chennai, Tamilnadu, India for providing me an opportunity to do my phytochemical studies in ERI. I thank him, also for his direct and indirect support offered at various stages of research at ERI.

I am extremely grateful to Dr.K.Balakrishna, Scientist, ERI (Retd. Research Officer Chemistry, Captain Srinivasa Murthi Drug Research Institute of Ayurtha, Arumbakam Chennai, India) for his painstaking effort in analyzing the spectral data for identification and characterization of the compounds and also for sharing his expertise on phytochemical analysis and separation.

My sincere thanks are due to Dr.V.Duraipandiyan, Scientist, ERI, who introduce me to ERI and also his moral support both scientifically and personally is gratefully acknowledged.

My sincere gratitude to Dr.P.Pandikumar, Scientist, ERI for his active involvement, help in ethnobotanical studies, plant collection and identification.

I would like to special thanks to my colleagues at ERI especially, Dr.M.Gabriel Paulraj Scientist and scholars of Mr.P.Saravana Kumar, Mr.S.Saravanan, Mr.A.Stalin, Mr.VA.Kingsalin, Mr.PV.Ramachandran, for their co-operation and encouragement in various ways at lab session. I express my thanks individually to every one of them.

My special thanks to Sri.S.Sangeetha, Research scholar, Bioinformatics Lab, AU-KBC Research Centre, M.I.T Campus of Anna University, Chennai for her help in completing the in silico interaction studies.

In a special way, I thank Mr.R.Jeyaram, Technical Officer, CSIR-Central Electrochemical Research Institute; and his wife Mrs.J.Anuradha, for their help, support and care on me in various ways during my stay and studies at Karaikudi.
I thank **Dr.S.Maruthamuthu**, Senior Principle Scientist, Bio-corrosion lab, CSIR-CECRI, Karaikudi for giving me permission to work EPI-Florescence microscopic studies in his lab.

I also thank **Mr.P.Dhandapani**, Senior Research Fellow, Project Assistant, CSIR-CECRI, Karaikudi for their help and support during my EPI-Florescence microscopic experimental studies.

I sincerely thanks to **Mr.VB.Kalyana Sundaram**, Lab technician, Government Headquarters Hospital, Erode, TamilNadu, India for his help in the collection of teeth samples whenever necessary to work.

I also express my sincere thanks to **Dr.S.Saravanababu**, Principal, Chikkaiah Naicker College, Erode for giving me necessary facilities at Biogeniic Lab, Namakkal. I extend my thankfulness from the bottom of my heart to **Sri.S.Shantha Subitha** (Research scholar, Manonmanium Sundaranar University, Tirunelveli) for her good support with cooperation.

My special thanks to **Dr.K.Anandaraj**, HOD, Department of Microbiology, Shanmuga Industries Arts and Science College, Thiruvanamalai for his encouragement during this course study.

I am very extremely grateful **Mrs.T.Savitha** and **Mr.K.Prabakaran** Research scholars of Periyar University, Salem for their moral support and constant encouragement during the course of my investigation.

I express my heartfelt gratitudes to my brother-in-law **A.Rajasekar BA BL**, **Er.N.Jayachandran** and **Er.S.Arulmurugan** for their love and encouragement for successful completion of the study.

I would like deeply thankful to my friends at HDFC Bank, Team Leaders at Chennai, **Er.M.Sathish kumar**, **Er.S.Arul murugan**, **Mr.AS.Abdul Kaleem**, **Mr.R.Kannaiyan**, **Mr.S.Kuthalingam**, and **Mr.N.Senthilkumar** for their affection, care and selfless effort. I express my thanks individually to every one of them.

Finally, my special thanks are due to my friend **Mr.A.Kandasamy**, Food Safety Manager, Chicken N Things, New Zealand who introduce me to my guide and also his moral support personally is gratefully acknowledged.

This research project would not have been possible without the support of many people. I believe that I would not be able to name everyone separately and to thank for everything that they did for me.

Thanks for all and everything.

K. SEKAR
