Acknowledgements

Carrying out this research work was a constant struggle and challenge, and I cannot forget many people who've played significant roles in adding value to this research.

I would first like to thank, Dr. V. N Nayak, Reader in Ocean Sciences, who has been my guide from M.Sc. days. It has been an enriching experience working under his guidance for the last five years. Many of his actions were inspiring, and particularly when he personally accompanied me many times to carry out the field surveys in Karwar. I am very grateful for his valuable guidance, constructive criticism, support and interest in every stage of my research work.

I sincerely thank the Vice Chancellor of Karnataka University for his cooperation in allowing me to carry out research in this great Institution. My thanks and appreciation is also due to the Registrar of Karnataka University for his permission and courtesies extended during my research work.

I thank Dr. U. G. Bhat, Chairman of the Department for his constant help in needs and for providing all the departmental facilities.

I am Indebted to Dr. Kusuma Neelakatan, Dr. J. L Rathod and Dr. U. G Naik for their cooperation and support during my research period.

I am greatful to Dr. Chandrashekar vernekar, Dr. Archana Naik, Dr. L. V. Andrade, Dr. Shambaji Bhosale, and Dr. N. A Talwar, for their help rendered to me during the tenure of this study.

I am deeply thankful to Mr. Manjunath C, Karnataka University, Dharwad for his kind help during the analysis of my research samples.
I wish to express my gratitude to Mr. Prakash Mesta, Roshmon Thomas, Mrs. Annie Kurian, Miss. Manjula Research Scholars, Department of Marine Biology, for their friendly suggestions and willing co-operation during the entire period of my research work.

I am also thankful to my colleagues Mrs. Shatpada, Mrs Sheetal Naik, Mrs Usha Bhat, Mr. Vinayak Achari, and Mr. Sumit Mandal for their help rendered to me during the tenure of this study.

I thank to all the M.Phil scholars, M.Sc students, and my relatives who have helped and encouraged me during the course of the work.

I express my hearty thanks to Mr. Shanta and Mr. Deepak who have helped during the tenure of my field collection.

The office staff and non teaching staff members Mr. Dayanand Naik, Mr. D. J. Patagar, Mr. Anand Naik, Miss Vedha Naik, Mr. Sanju, Mr. Rajendra, Mr. Chandrakant Harkantra and Mrs. Shashikala Naik have been very kind and cooperative during my research period and other times. I am very thankful to them for all the help they have given to me.

Last but not the least, I thank my parents, Mr. M. G. Salaskar and Mrs. Sunita Salaskar for their constant help and support through all their hardships. It is their selfless prayers and the grace of God that has helped me through out the work. I am indebted to them for everything I have today. I also thank my brothers and sisters for all the moral support and help during the course of my research.
