## CONTENTS

1 LIMNOLOGICAL STUDIES
   i) Introduction  
   ii) Description of study sites  
   iii) Materials and Methods  
   iv) Results of abiotic factors  
   v) Discussion of abiotic factors  
   vi) Biotic factors  
   vii) Discussion  

2 RELATION BETWEEN SOURCE WATER AND ALGAE IN THE PADDY FIELDS OF KALGHATGI
   i) Introduction  
   ii) Materials and Methods  
   iii) Results and Discussion
      a) Abiotic factors  
      b) The algae  

3 EFFECT OF WASTE WATERS ON ALGAL GROWTH
   i) Introduction  
   ii) Materials and Methods  
   iii) Results and Discussion  

4 SUMMARY AND CONCLUSION  

5 REFERENCES  

6 APPENDIX
