VI. Literature Cited

Beddome, R.H. 1869: The flora Sylvatica from southern India 1 and 2. Madras.

Bennett, S. T. and Bennett, M. D. 1992: Variation in nuclear DNA amount between wild and cultivated populations of *Millium effusum* (2n=28). Genome 35:1050-1053.

Bourdillon, T.F. 1908: The forest trees of Travancore, Trivandrum.

Bukhari, Y. M. 1997: Nuclear DNA amounts in Acacia and Prosopis (Mimosaceae) and their evolutionary implications. Hereditas 126: 45-51.

Champion 1936: Preliminary survey of the forest types of India and Burma.

Fischer, M., Husi, R., Prati, D., Pertinger, M., Van Kleunen and Schmid, B. 2000: RAPD variation among and within small and large

1-9, ASEAN-Canada Forest Tree Seed Centre Project, Muak-Lek, Saraburi, Thailand.

IrueIa, M., Rubio, J., Cubero, J.I., Gil, J. and Millan, T. 2002: Phylogenetic analysis in the genus *Cicer* and cultivated

Lewin, B. 1975: Units of transcription and translation: Sequence components of heterogeneous nuclear DNA and messenger RNA. Cell 4: 77-93.

Osborne, T.B. 1924: The Vegetable Proteins, Longmans Green, London.

Thothathri, K. 1987: Taxonomic revision of the Tribe Dalbergiae in the Indian subcontinent. BSI, Culcutta, India.

Yeh, F.C., Young, R.C., Timothy, B., Boyle, T.B.J., Ye, Z.H. and Mao, J.X. 1997: POPGENE, the userfriendly shareware for population genetic analysis. Molecular Biology and Biotechnology Centre, University of Alberta, Canada.
