ACKNOWLEDGEMENTS

I place on record, my deep sense of gratitude and indebtedness to my teacher and research supervisor Dr. Vinayak B. Mahale, Professor of Inorganic Chemistry, P.G. Department of studies in Chemistry, Karnataka University, Dharwad, for his valuable guidance, fruitful discussions, thought provoking suggestions and constant inspiration throughout this research work.

I am highly grateful to Dr. V.K. Revankar, Reader in Inorganic Chemistry, P.G. Department of studies in Chemistry, Karnataka University, Dharwad, for their constant encouragement and useful suggestions at the need of hour during the investigations. I wish to express my gratitude to Dr. M.V. Kulkarni, for his encouragement.

I am highly obliged to Dr. Vijaykumar Reddy, Reader in Chemistry, St. Joseph, P.G and Research Center, Bangalore, for carrying out the cyclic voltammetric experiments.

I would like to convey my gratitude to Dr. Alok K. Bannerjee, scientist and his students at INTER-UNIVERSITY CONSORTIUM FOR DAE-FACILITIES INDORE-CENTER for the process of working the cryomagnetic instrument and discussion.

I wish to record my special thanks to all my family members for their keen interest in my research work. The invaluable moral support and constant encouragement made it possible for me to reach this position in my educational career. I also thank His Holiness Sri Siddaram Swamiji, Sri Nagnur Rudrakshimath, Belgaum for his good wishes and encouragement during my research work.
I wish to record my heartfelt thanks to my research colleagues Satish M. Annigeri, Anil D. Naik, Dr. Vinayak M. Nayak and Rajesh S. Baligar for their help and cooperation during my research work.

I thank all the members of M.B. Annigeri and S.V. Araganji families for their good wishes and encouragement during my research work.

I am very thankful to the authorities of USIC KARNATAK UNIVERSITY, DHARWAD, IISc. BANGALORE, RSIC CHANDIGARH, CDRI LUCKNOW, USIC UNIVERSITY OF ROORKEE, IIT MADRAS, IIT MUMBAI AND IUC-INDORE-CENTER, for providing various research facilities.

I wish to extend my thanks to all the members of the teaching faculty, research scholars and non teaching staff, P.G. Department of Chemistry, for their help in carrying out my research activities.

Lastly, I thank each and every one who has helped me directly or indirectly in all my research activities.

Dharwad
December 10, 2001

(U.B. Gangadharmath)
