Acknowledgement

I am very much grateful to my guide Dr. R.N. Desai (Retd.) Head Department of Zoology, Karnataka Science College, Dharwad and co-guide Dr. B.M. Swamy, Lecturer, Department of Chemistry, Karnataka University, Dharwad, for suggesting this research problem and guiding me throughout the course of this work. I am grateful to Prof. V.B. Nadkarni (Retd.), Prof. S. Basalingappa, Prof. M.A. Hooli, Prof. V.L. Kallapur and other teachers of the Zoology Department Karnataka University, Dharwad, for their valuable suggestions, encouragement and help.

Prof. B. Neelakantan, Post-Graduate Marine Biology Centre, Karwar, Prof. I.D. Basanagoudar, Prof. Mallur, Department of Chemistry, Prof. M.M. Muddapur Department of Statistics and Dr. R.R. Hegde, Department of Botany, Karnataka University, Dharwad and Prof. M.Y.M. Jamakhandi, Retd. Karnataka Science College, Dharwad have helped me in many ways during this work. I record here my sincere thanks to all these teachers.

I am also thankful to Principal (Retd.) D.M. Pujari and Principal R.S. Bhoosanurmath Karnataka Science College,
Dharwad and all the teachers of Zoology Department, Karnataka Science College, Dharwad. I am very much thankful to Dr. V. Jayashree, Shri. Tapaswai N.I.O. Panaji Goa and Dr. and Prof. S.L. Patil) R.I.S Institute, Belgaum G.G. Annigeri Asst. Director (Retd.) C.M.F.R.I. Karwar, for helping me to get an up-to-date literature.

I express my sincere thanks to Head of the Department and Staff, Department of Soil Chemistry and Dr. S.J. Patil Chief Scientific Officer University of Agricultural Sciences, Dharwad for providing me the facilities for Biochemical estimations.

I am very much grateful to the Board of Management K.L.E. Society, Belgaum for granting me the study leave under the Faculty Improvement Programme of University Grants Commission, New Delhi which enabled me to complete this work.

I express my gratitude to our present Principal Dr. S.B. Dambal and former Principals Prof. S.N. Patil, Prof. I.R. Neeli, Prof. B.S. Akki and Prof. B.S. Hittalmani life member K.L.E. Society, Belgaum for their encouragement during my tenure of research work. I am also thankful to all my colleagues of J.T. College Gadag who have cooperated during my research work.
I am very much thankful to my research colleagues Dr. S.V. Bellary, Smt. S.K. Hanagandi, Dr. U.G. Mummigatti, Shri. Dhananjay, Shri. Nayak, Shri. Mugdum and Shri A.N. Dyavnagoudar, Dr. G.S. Pujar and Alnapur for their continuous help in many ways during this research work.

I am thankful to the University Grants Commission, New Delhi for awarding me the teacher fellowship under the Faculty Improvement Programme for one year and supporting me financially to complete this work.

I am also thankful to fishermen of Binaga beach of Karwar.

I am also grateful to family members and my wife Dr. Uma, daughter Amrutha, son Abhishek for their continuous inspiration, constant encouragement and understanding throughout my research work.

I am thankful to N.T. Hagargi and Mallikarjun Sali for photomicrography work and Shri Shashi Surpalli for his neat typing work.

4th May 1995.

S.V. Hremath
