ACKNOWLEDGEMENT

I thank the Almighty God for his accompaniment and showers of blessings throughout the course of my research.

I express my sincere and deep sentiments of gratitude to my research guide Prof. Gopinath Ganapathy, Chair, School of Computer Science and Engineering, Bharathidasan University for his valuable and abundant support. His availability, guidance and encouragement at all times helped in accomplishing this research work.

The intervention by Dr. Rhymend Uthariaraj, Director, Ramanujan Computing Centre, Anna University, Chennai, as a doctoral committee member is gratefully acknowledged.

I am indebted to the Sacred Heart College Management and to Rev. Fr. K. M. Jose, Rector and Secretary, Sacred Heart College, Tirupattur for his continuous support and encouragement throughout the course of the research work.

I would like to express my sincere gratitude and thanks to Rev. Fr. A. Maria Soosai, Principal, Sacred Heart College, Tirupattur, for his encouragement, concern and support.

I am greatly indebted to Fr. S. Thaddeus, CEO Bosco ITS, Yellagiri Hills, Tirupattur, Dr. Maria Susai Manuel, Head, Department of Mathematics, Sacred Heart College, Tirupur and Dr. Britto Antony Xavier, Associate Professor, Department of Mathematics, Sacred Heart College, Tirupur for their research orientation, support and encouragement throughout the course of the research work.

The timely guidance of Mr. A. Charles, Associate Professor, St. Joseph’s College, Tiruchirapalli, for reviewing Statistical Analysis and Dr. T. Rajarathinam, Associate Professor, Department of Mathematics, St. Joseph’s College, Tiruchirapalli, for reviewing Mathematical concepts.

I would like to express my sincere thanks to Dr. L. Arockiam, Reader, Department of Computer Science, St. Joseph’s College, Tiruchirapalli and Mr. K. Mani, Associate Professor, Nehru Memorial College, Puthanampatti, for reviewing the research work at different stages.
I remember with deep gratitude the assistance extended by Mr. S. Sagayaraj and Mr. J. John Arockiaraj, who are my colleagues in the Department of Computer Science, Sacred Heart College, Tirupattur.

The support extended by Mr. S. Ganaprasam, Systems Manager, Guezou Computer Centre, Sacred Heart College, Tirupattur, is gratefully remembered.

My sincere thanks to Mr. V. Chandrasekar, Research Scholar, Department of Mathematics, Sacred Heart College, Tirupattur, for his great support and for having rendered valuable assistance.

The unstinted and passionate accompaniment of Mr. A. Vikkiramadhithan, Team Leader, Bosco Soft Technologies Pvt. Ltd, Tirupattur and Ms. P. Manjula, Assistant Professor, Sacred Heart College, Tirupattur, in collating research literature and documentation is commendable.

Thanks to Mr. R. Veeraraghavan, Assistant Professor, Sacred Heart College, Tirupattur, Ms. M. Poovizhi and Ms. A. Dharini, M.Phil Scholars, Sacred Heart College, Tirupattur, for their assistance in the research work.

I thank Dr. Xavier Susai Raj, Associate Professor, Department of Economics, Sacred Heart College, Tirupattur, for his suggestions and encouragement throughout the course of the research work.

I thank the officials of the University Grants Commission for permitting me to do the research work through faculty development plan and to Dr. Xavier Alphonse, Director, Indian Centre for Research and Development of Community Education (ICRDCE), Chennai, for helping me to get a travel grant through UGC as part of my research.

I remember affectionately the concern and prayerful wishes from my brothers and sisters and their families. A special word of thanks to my wife and children for their support.

Finally my heart overflows with joy and gratitude to every person dear to me who has been consistently following the development of this research work and for their intellectual and moral support.

RAVI. L
