ACKNOWLEDGEMENT

"Real life isn’t always going to be perfect or go our way, but the recurring acknowledgement of what is working in our lives can help us not only to survive but surmount our difficulties”.

I would like to thank all those people, for without them, this would not have been possible.

It is my pleasure and privilege to place on record my sincere gratitude to my guide, Dr. Vijayalaxmi A. Aminabhavi, Professor, P.G. Department of Psychology, KUD, for her excellent guidance, continued support and keen interest in my work. Besides being a great source of encouragement and inspiration, she remained genuinely concerned about my professional advancement and personal well-being, during these six years of my research. I have no words to express my thanks for her everlasting affection and concern.

I am grateful to University Research Studentship for awarding me Scholarship, which helped me to complete my research leading to Ph.D.

I am indebted to the Principals of Karnataka College, Janata Shikshan Samithi’s College and Kittle College Dharwad for permission and all the facilities extended for me for data collection. I am much obliged to Sri. Sidhanti, Principal and faculty members of K.E. Board’s Arts and Commerce College, Dharwad. I am greatly thankful to wonderful adolescents who wholeheartedly cooperated with me in giving me their responses.

I am extremely thankful to the authorities of Karnataka University, Dharwad and the Chairmen, P.G. Dept. of Psychology, KUD, for permission and all the facilities extended to carry out the research work in the Dept. of Psychology. My thanks are also due to all the teaching and non-teaching members of staff of the Dept. of Psychology, KUD. I am obliged to the Chief Librarian and members of staff, Karnataka University Central Library for their timely assistance and excellent service during my research. I express my thanks to Dr. V.M. Vatnal, Karnataka University Library for his assistance and guidance in collecting research material from Internet and other sources.
My thanks are also due to Dr. Pushpa Khadi, Professor, and also other Staff of home Science Department and also Librarians of University of Agriculture Science, Dharwad and Indian Institute of Technology (IIT), Mumbai. I extend my thanks to Dr. Shetty, Professor, Dept. of Statistics, KUD, for his expert suggestions and advice with regard to statistical analysis of my research data. My thanks are also due to Dr. Venkatesh B. Joshi, for the computer analysis of my research data and also for the great discussion and guidance related to application of the statistical package. I am also thankful to Dr. D. G. Satihal, for his help in statistical analyses.

I am indebted to Dr. Anban, Head of Dept. of Linguistics, KUD, Dharwad, for helping me and guiding me in the translation work of the questionnaires.

I am much obliged to Dr. A. K. Deo, Dr. Pande, Srinagar Manju Mehta, Associate Professor, Dept. of Rajasthan, Jaipur, Mr. Rajesh Kumar, Lecturer, Dept. of Psychology, government College, Chandigarh.

I am very much grateful to my research friends Smt. Ajitha Dindigal, Smt. Suneetha Hangal, Mr. Shanmukh Kamble for their kind cooperation, guidance and encouragement.

My sincere thanks are due to my mother, family members, in-laws, nieces, nephews for their encouragement and help.

I am very much obliged and grateful to my beloved husband Mr. Shantisen Pastey for his support, encouragement, patience and help in carrying my research work. My heartfelt thanks to my sweet little children Kumari. Darshana, Kumari. Shreya and Kumar. Aditya for bearing with me for my unfailing fulfillment of my duties towards them on the other hand being sources of my inspiration for quenching the thirst of knowledge about parent-child relationship.

Lastly I am thankful to all my teachers, friends, colleagues, relatives and all those who have helped me in carrying over my research work successfully to this day.
