ACKNOWLEDGEMENTS

I have no words to express my deep sense of gratitude towards my research supervisor Dr. I.D. Shetty for his inexhaustible patience, effective guidance and encouragement. Thank you Sir.

I am grateful to Prof. B.R. Bhat whose guidance helped me to pursue my higher studies at Karnatak University, Dharwad.

I am thankful to the authorities of Karnatak University and scholarship committee for the award of University Research Studentship (URS) for the period of one year. I also thank Council of Scientific and Industrial Research (CSIR), New Delhi for the award of Junior Research Fellowship (JRF) for the period of two years and Senior Research Fellowship (SRF) at present.

I thank Prof. M.S. Chikkagoudar, Prof. B.N. Nagnur, Prof. M.V. Muddapur, other teaching and non-teaching staff members of the department of Statistics, Karnatak University, Dharwad for the facilities provided to carry out this research work and extended co-operation.

My sincere thanks to Dr. K.S. Madhava Rao, Prof. J.V. Deshpande, Dr. Debapirya Sengupta, Prof. M. Sudhakar Rao for their constructive suggestions and Dr. T.S.K. Moothathu, Prof. S.R. Adke, and Prof. N.R. Mohan for their encouragement. My thanks are also due to Dr. T. Shirke whose suggestions helped me to pass Joint CSIR-UGC Eligibility Test for JRF and lecturership for the award of JRF.

I would like to thank the referees of Statistics and probability letters, Karnatak University Science Journal and Journal of nonparametric statistics for their useful comments which have been of great help in the improvement of the quality of this thesis. I also thank the delegates of XII, XIV, XV annual ISPS (Indian Society for Probability and Statistics) conferences and II International Symposium on Optimization and Statistics for helpful discussions.

My thanks are due to all the members of department of Statistics, University of Poona, Director of ISI, New Delhi, staff members of ISI (New Delhi) library, ISI, Bangalore campus, Bangalore University, University of Poona for their kind co-operation when I visited these institutions for the reference
work. My thanks are also due to all the authorities and staff members of Karnatak University library, scholarship section, academic section and accounts section for their kind co-operation during the course of my research work.

My hearty thanks to Shri. B.G. Murthy and family for their kindness in providing me a warm accommodation in their house during my study visit to University of Poona. My sincere thanks to all the family members of my research supervisor, Shri. B.K. Tinaikar, Mrs. Prabha Desai and Miss. J.G. Shetty for their wholehearted encouragement.

I am grateful to Shri. V.A. Hebbar, Shri. C.P. Puranikmath, Shri. S.S. Guddadamath and the members of their families for their constant encouragement and moral support.

I am greatly indebted to my mother Smt. Saraswati V. Bhat for her sacrifice to ensure good education for me. I am also grateful to my aunt Parvati K. Hegde, sister Gouri V. Bhat and all my family members for their understanding and support.

I thank M/s Desai Graphics, Dharwad for neat typing and M/s Shri Mrityunjaya Automatic Xerox and Electronic Typing Centre for neat binding of this thesis.

Lastly, I am thankful to all those who have helped me directly or indirectly in one or the other way during the course of this research work.

Dharwad
