ACKNOWLEDGEMENTS

It is my pleasant duty to thank my teachers and friends who have helped me in many tangible and intangible ways towards the successful completion of research work and their kind co-operation in meeting my wishes.

I respectfully and gratefully acknowledge my heartfelt appreciation and deepest sense of gratitude to Professor D.K. Deshpande, my research supervisor for his keen interest, encouragement, valuable guidance and unstinted co-operation throughout the course of my research period.

I respectfully acknowledge sincere thanks to Professor B.G. Mulimani, Chairman and former chairmen Prof. S. R. Thontadarya, Prof. C. S. Anithkumar, Prof. T. S. Mudhole, and Prof. M. R. Gorbal, Department of Physics, Karnatak University, Dharwad, for providing me necessary facilities and their constant encouragement and support for this work.

I wish to express my deep sense of gratitude to Rt. Rev. Dr. P. J. K. Balme, Bishop, Karnataka Northern Diocese, Church of South India, and President Basel Mission Higher Education Center, Dharwad, and Rt. Rev. Dr. V. P. Dandin, former moderator, President, for their kind encouragement and permitting me to undertake the present work. I am also grateful to Prof. J.S. Kuri, Principal, Kittel Science College, Dharwad, for his inspiration and encouragement. My thanks are also due to Prof. S. J. Deodher and Prof. P.S. Dhawale, former Principals of Kittel Science and Kittel Arts College, Dharwad, respectively for their constant inspiration and encouragement.

It is with great pleasure, I express my gratitude to Professor S.C. Dutta Roy, Department of Electrical Engineering IIT, Delhi, and Prof. Chien-Cheng Tseng, Department of Electrical Engineering, National University, Taipei, Taiwan, for their valuable suggestions and comments during the course of my research work.

I am equally indebted to Late Professor B.N. Devaraj, then Professor of Electronics, SDM College of Engineering and Technology, Dharwad, for his consistent inspiration in carrying out my research work in the field DSP.

It is with great pleasure I express my gratitude to Dr. J. S. Bhat for sharing his laboratory and computer facility, constant encouragement, and keen interest taken in the progress of my work. My sincere thanks are to Dr. N S. Sankeshwar for his valuable discussion during the course of my work. The preparation of the thesis was made possible by the co-operation of Dr. J. S. Kadadevarmath. I am very much thankful to him for this and many useful discussions. It is difficult to express my gratitude adequately in words to my, co-
researcher Mr. M. V. Latte for his assistance in my work, close co-operation, timely help, which kept me going during difficult time. I am thankful to Mr. Sachin D. Deshpande for his extending help for getting some literature from IISC, library, Bangalore.

It is my pleasure to record my sincere thanks to Prof. Karguppikar, Prof. S. S. Kubakaddi, Prof. S.Y. Amargolkar, Dr. N. N Math, Dr. S. R. Inamdar, Dr. U.S Raikar, Dr. N.M. Badiger, Dr. J. R. Tonannavar, Dr. M. K. Rabinal, Dr.(Smt) Jayashri Yenagi for their kind cooperation.

I would like to thank Professor B. Hanumaiah, Vice Chancellor, Mangalore University, Mangalore for his encouragement and constant support.

I gratefully acknowledge my deep sense of gratitude to my teachers Prof. R. L Patil, Prof. G. C. Hiremath, Dr. S. M. Chendake for their keen interest, constant encouragement and useful discussion in my early part of work.

It gives me immense pleasure in recording my thanks to Dr. R. S. Godbole, then Head and to Prof. S. D. Doddamani, Head of Department of Physics Kittel Science College, Dharwad, for their keen interest, constant encouragement and sharing their valuable experiences with me, and thanks are also due to all my teaching and non-teaching colleagues of Kittel Science and Arts College, who directly or indirectly helped me during the course of my work.

Many friends have helped me in carrying out my research work till the end, particularly, I thank Shri D. N. Misale, Dr. L.R. Naik, Dr. V.S. Madalli, Mr. S. B. Guddennavar, Mr. Y. F. Nadaf, Smt K.R. Usha, Mr. Kumar Maddani, Mr. Kasala Suresh, Shri. S. B. Doddamani.

My parents have been responsible for teaching me many valuable “theorems of life” which I could not find in the textbooks and papers. These certainly are the principles which sustained me during all phases of this work. I always remember with gratitude the blessings, and the moral encouragement of my father Shri Ningappa M. Bhosale, and my mother Smt. Laximibai N. Bhosale, without which I could not have succeeded in accomplishing this work. It gives me great pleasure to acknowledge the constant help of my brothers Shri Laxman N.Bhosale and Shri Ganapati N. Bhosale and my sisters Smt Ambika, Smt. Vimal and Smt. Bayakka. I am truly grateful to them for their help, love and affection.

I must express my gratitude to my father in law (Late) Shri S.R Jadhav and mother in law Smt S. S. Jadhav of Dharwad, for their kind help in all respects and encouragement.

My deepest gratitude goes to my wife Sujata who showed infinite patience and undertaking during my absorption in this long-term project and offered the type of moral
support and loving encouragement, which only she can offer. I feel it pleasure to express my deep sense of appreciation to my children, daughter Sampada and twin son Sumit, Sujit and my nephew Arvind who are really great, and could bear my absence even during the holidays, I am truly grateful to them for their love, affection and patience.

I greatly acknowledge to the authorities of Karnataka University, Dharwad and UGC, New Delhi for awarding Teacher Fellowship under FIP.

Finally, I acknowledge all my teachers, friends and relatives for their direct or indirect help in this great undertaking.

S. N. Bhosale
Lecturer in Physics
Kittel Science College,
Dharwad 580 003.
