ACKNOWLEDGMENT

I am gratefully indebted to my Research Guide, Dr. S. N. Holihosur, Professor, Department of Zoology, Karnataka University, Dharwad, for suggesting me this problem for investigation, continuous inspiration, support, guidance, constant encouragement, help and positive criticisms throughout the period of this research work.

I am at a loss of words to express my humble indebtedness to my co-guide Dr. V. L. Kallapur, Prof. Emeritus, for his inspiring enthusiasm, meticulous planning, guidance, help, co-operation and encouragement during the period of my work, which helped me immensely to forge ahead in my research work.

I wish to thank present Chairperson, Prof. B. A. Shanbhag and former Chairmans, Prof. S. A. Nevagi and prof. R. D. Kanamadi Department of Zoology, Karnataka University, Dharwad for providing the departmental facility to carry out my research work. I express my sincere thanks to the teaching faculty and also non-teaching staff of Department of Zoology for their continuous moral support. I am equally thankful to all the staff of University Scientific Instrumentation Center at Karnataka University for their kind cooperation during this research work.

I express my deep and sincere respects to H. H. Sri Vishweshateertha Swamiji of Pejawar Mutt, and Dr. D. Veerendra Heggade, Dharmashikari of Dharmasthal and Chairman of Janata Shikshana Samiti, Dharwad, for their abundant blessings.

I express my deep sense of gratitude to Prof. N. VajraKumar, Secretary, Janata Shikshana Samiti, present Principal Dr. Ajit Prasad Jain, and former principal V. A. Anandanayananavar of J. S. S. College Dharwad for deputing me to carry out research work leading to Ph.D. degree under F.I.P. programme. I am thankful to H. O. D. prof G. Krishnamurty and my teacher colleagues, Department of Zoology, J. S. S. College, Dharwad, for their encouragement and constant support.
My hearty thanks to my senior research colleagues, Dr. S. S. Yankanchi, Dr. Roopali Kulkarni, Mr. Prabhakar Patil, Mr. S. R. Shetty, Mr. Ashok Kandgal Smt. S. S. Kalyani and others for their help.

I am also thankful to Dr. S. R. Hosagoudar, Dr. Vijaykumar A Kudari, Dr. Shrikant A Modagi, Dr. Nakul B Vandal, Dr. K V Dheeraj and all other Research Scholars and friends.

I take this opportunity to thank Dr. B. R. Deshpande, Dr. D. V. SanjeevaRao, prof. S. S. Kurubar for their persistent encouragement.

I express my sincere thanks to Chairman Dr. H B Manjunath and Dr. V Shyamkumar, Department of Sericulture, Prof. Manohar. Kulkarni Department of Chemistry, Prof. S Basingappa, Department of Zoology, Karnataka University, Dharwad, Dr. S. R. Ankalgi Department of Chemistry Nehru College, Hubli, Dr. Vilas Kulkarni, Dr. Hosmani, UAS, Dharwad and staff of Sericulture Department Rayapur, Dharwad for their valuable suggestions and encouragement.

My sincere thanks to University Grant Commission (U.G.C.) for granting Teacher fellowship under F.I.P., programme to carry out my research work.

Finally I pay my deepest respects to my parents and express my deepest gratitude to my brothers, sister, my beloved wife Mrs. Vidya, daughter Sneha and son Sameer and other family members, without whose encouragement, love and unfailing support this task would not have been accomplished.

Shrinivas V Kallapur
