ACKNOWLEDGEMENT

I express my deep sense of gratitude and regards to Dr. C. J. Savanurmath, Professor and Chairman, Department of Sericulture, Karnatak University, Dharwad, for his able guidance, keen interest, valuable discussions and encouragement throughout the course of my research work.

I also acknowledge my gratitude to my co-guide Dr. S. B. Hinchigeri, Professor in Biochemistry, Department of Chemistry, Karnatak University, Dharwad, for his guidance, encouragement and discussion to carry out the research work.

I am thankful to the Chairmen, Department of Sericulture and the Department of Zoology, Karnatak University, Dharwad for providing the necessary facilities for carrying out my research.

I am indebted to Central Silk Board, Ministry of Textiles, Government of India, for awarding me the Research Fellowship under the National Sericulture Project NSP—CSB/46/107(10)/90-91-TS sanctioned to Dr. C. J. Savanurmath and Dr. S. B. Hinchigeri.

I express my gratitude to Professor K. P. Gopinathan, Chairman, Department of Microbiology and Cell Biology,
Indian Institute of Science, Bangalore-12 for his able guidance and providing me the laboratory facilities to characterize BmNPV. I also extend my sincere thanks to Dr. Vikas Palhan and Dr. M. Manoharan, Research Associates, Dept. of Microbiology and Cell Biology, I.I.Sc., Bangalore for their help and support during the investigation.

I express my thanks to Mr. Rangeshwaran, Technical Assistant, EM Section, Dept. of Microbiology and Cell Biology, I.I.Sc., Bangalore for his help in electron microscopy studies.

I also extend my sincere thanks to Dr. M. V. Muddapur, Professor and Chairman, Dept. of Statistics, Karnataka University, Dharwad for his help in statistical analysis of my research data.

I am thankful to Prof. A. H. Chachadi, Director, Kausali Institute of Management Studies for his encouragement and inspiration given throughout the period of my stay at Dharwad.

I express my special thanks to my senior colleague Dr. Susheela Ingalhalli for her consistent support, encouragement and timely assistance during the tenure of the research work. My special thanks to Dr. R. D. Santakai and Mr. Naveen Pajar for their help at times of need.
My sincere thanks are extended to Mr. Santosh D.N., M/s. Santosh Typing Chamber, Dharwad, for his timely help.

I am strongly beholden to my parents, uncle and aunty for their blessing and affection, my brother Anand and sisters Renu and Indu for their encouragement and constant inspiration during the research programme which enabled me to complete the same within the specified period. I owe a lot to my wife Smt. Vibha for her affectionate co-operation and forebearance during the tenure of doctoral studies.

8th Feb, 1997
Dharwad.

Krishna Kumar Singh.
