LIST OF FIGURES

Chapter 1

Figure 1.1 A phonetic chart of PA consonants
Figure 1.2 A phonetic chart of PA vowels.
Figure 1.3 Phonetic charts of PA diphthongs

Chapter 4

Figure 4.1 The error-proportions and relative difficulty of English contrastive consonants.
Figure 4.2 The proportions of the sources of English contrastive consonant errors.
Figure 4.3 The final proportion of the whole category of English contrastive consonant errors in every word-position.
Figure 4.4 The proportion and relative difficulty of English noncontrastive consonant errors.
Figure 4.5 The proportions of the sources of English noncontrastive consonant errors.
Figure 4.6 The proportions of the error-types of the contrastive and noncontrastive consonant errors.

Chapter 5

Figure 5.1 The error-proportions and relative difficulty of English contrastive vowels.
Figure 5.2 The proportions of the sources of English contrastive vowel errors.
Figure 5.3 The final proportion of the whole category of English contrastive vowel errors in every word-proportions.
Figure 5.4 The error-proportions and relative difficulty of English noncontrastive vowels.
Figure 5.5 The proportions of the sources of the English noncontrastive vowel errors.

Chapter 6

Figure 6.1 The error-proportions and relative difficulty of English contrastive diphthongs.
Figure 6.2 The proportions of the sources of English contrastive diphthong errors.

Figure 6.3 The final proportion of the whole category of English contrastive diphthong errors in every word-position.

Figure 6.4 The error-proportions and relative difficulty of English noncontrastive diphthong.

Figure 6.5 The proportions of the sources of English noncontrastive diphthong errors.

Chapter 7

Figure 7.1 The error-proportions and relative difficulty of English contrastive consonant clusters.

Figure 7.2 The proportions of the sources of English contrastive consonant cluster errors.

Figure 7.3 The error-proportions and relative difficulty of English noncontrastive consonant clusters.

Figure 7.4 The proportions of the sources of English noncontrastive consonant cluster errors.

Chapter 9

Figure 9.1 The proportions of the potential sources of PLE phonological errors.

Figure 9.2 The Arab and British judges and their ratings group A & B.

Figure 9.3 The Indian and Kenyan judges and their ratings for group A & B.

Figure 9.4 The NS and NNS judges and their ratings for the two groups of PLE is terms of percentage.
