ACKNOWLEDGEMENT

I praise and thank God, the Father Almighty who, through Jesus Christ and the Holy Spirit and through the intercession of the Blessed Virgin Mary and the Saints, enabled me to successfully complete my research.

I am extremely indebted to my guide, Prof. P.S. Halyal, Professor Psychology (Rtd.), for his keen interest, inspiring guidance and supervision throughout the period of study, without which this work would have been incomplete.

I thank His Grace, Metropolitan Archbishop-Patriarch Msgr. Felipe Neri Ferrão and Archbishop Emeritus Raul Gonsalves, for permitting me to undertake this research.

My sincere and heartfelt gratitude to Dr. Lancy D’Souza, Head of the Department of Psychology, Maharaja’s College, Mysore, for his assistance and valuable suggestions (especially in the analysis of results) during the course of study.

I also express my sincere gratitude to the Principals and students of Damodar College, Margao, Chowgule College, Margao, Fr. Agnel College, Pilar, Rosary College, Navelim, Carmel College, Nuvem, Government Colleges at Pernem and Marcel, M.E.S. College, Vasco-da-Gama, St. Xavier’s College, Mapuça, DMC College, Assagao, Saraswat College, Mapuça and Dhempe College, Panjim, for cooperating and obliging me in the collection of data.

I am grateful to Dr. B.C. Nair, Department of Mathematics, St. Xavier’s College, Mapuça for his assistance.
I thank the administrative staff members at the Post-Graduate Department of Psychology and members of the Library staff of Karnatak University, Dharwad for all the assistance rendered.

I also thank the library and non-teaching staff of St. Xavier’s College, Mapuça for rendering help during the research study.

I acknowledge the references, which have been borrowed from various sources.

I am grateful to Mrs. Ubaldina Noronha e Gomes, my colleague who also did her Ph.D. research simultaneously, for her moral support and help during the investigation.

My special and deep gratitude to my friend Mr. Bosco Lawrence, Department of Physics, St. Xavier’s College, Mapuça, for his immense support, constant encouragement and inspiration, and for typing this entire thesis.

I am very grateful to Mr. Thomas Alvares, from St. Xavier’s College, Mapusa, for the immense support, the DTP and setting the entire thesis for its final printing.

Finally, I am immensely grateful to all others who in various ways, tangible and intangible, rendered assistance in the course of my work.

To each and everyone, I say “May God bless you a thousand-fold”.

Fr. Simão Remédios Diniz
