”Words written non randomly are information rich and thus, are entropy poor”. To justify this truth, I would like to memorize and thank the people who were instrumental in the completion of this important milestone of our academic pursuit. Although “thanks” is poor expression of the deep sense of gratitude one feels in the heart, yet there is no better way to express it. First of all I express my sincere faith in God “Shiva” who made all the circumstances favorable and peaceful.

I also wish to express my deep sense of gratitude to Professor O. P. Jangir, Dean Academics, Director FELM, IASE Deemed University for his valuable suggestions, incessant encourage and keen interest during the course of study.

The pride of place of this galaxy belongs to esteemed Dr. Kamlesh Choure, Associate Professor, Department of Biotechnology for his engrossing guidance, incessant encouragement, constructive suggestions, propitious assistance, keen and sustained interest, kind and gracious patronage during the entire course of investigation and preparation of this manuscript.

I also record my thanks to Dr. Surender Pathak, Director of Research, IASE (D) University for his moral support, valuable guidance, criticism and help rendered from time to time during the course of my Ph.D. Programme.

With extreme humble of sense to regards and honour, I wish to place my sincere and heartiest gratitude to Dr. M.K. Kaul for his moral support, constant encouragement and helping attitude.

I wish to express my humble thanks to Dr. Sudesh Dhingra Head, Department of Biotechnology, Maharshi Dayanand College, Sriganganagar & Dr. Antaryami kaushik, Lecturer, Department of Botany Government College, Suratgarh and words fail to recognize the contribution of these persons.

I offer my sincere thanks to Dr. B.S. Punia Director, Maharshi Dayanand Samiti, Sriganganagar, Dr. Rajesh Dhingra Principal, Maharshi Dayanand College, Sriganganagar for their support during entire investigation. I also express my thanks to Mr. Manmohan Singh Narula & Mr. Inderjeet Kaur Narula for cooperation and helping attitude.

I am fortunate enough to have special friends Dr. Abha Dhingra, Dr. Jyoti Kanwar, Vikram Kumar, Shinam Mukhija, Poonam Narula, Sorabh Setia, Dinesh Kumar, Rajesh, Karan & Sunny who had always been my positive critics. The members of laboratory staff Tarun Srivastav & Updesh deserved appreciations for their help and co-operation during the course.

No words of mine can adequately express my profound reverence to my parents father Mr. Tola ram and mother Mrs. Krishana Gurnani, my Brothers & Sisters regards and love blessings, inspirations and unbarred assistance of all kinds made me to active the most counted and actured good of higher education.
