I express my deep sense of gratitude to my research guide Dr. U. G. Bhat, Reader in the Dept. of Marine Biology, Karwar, for suggesting the topic and for his valuable guidance and encouragement during the course of this research work.

My gratitude is due to Dr. (Mrs.) Kusuma Neelakantan, Professor and the Chairperson of the Dept. of Marine Biology, Karwar and late Prof. (Dr.) B. Neelakantan for their kind support and useful suggestions throughout the research period.

My thanks to Dr. D. C. Shetty, Research Associate, Dept. of Marine Biology, for his constructive criticism and suggestions. I am thankful to Dr. U. G. Naik, the head of ‘Fisherman’s guidance bureau’, Dept. of Marine Biology, for his suggestions during the research period.

My thanks to Dr. V. N. Nayak, Reader, Dept. of Marine Biology, Karwar and Mr. J. L. Rathod, Lecturer, Dept. of Marine Biology, Karwar, for the encouragement during the research work.

My parents, Mr. Dattatraya V. Vernekar and Mrs. Kusuma D. Vernekar and sisters have been always a source of inspiration during my study period for which I owe them deep gratitude.

I avail this opportunity to record my sincere thanks to my brother-in-law, Mr. Vivekanand, my sisters, Mrs. Pushpa and Mrs. Asha and all my nephews and nieces for their support.
I heartily thank the research scholars of the Dept. of Marine Biology, Karwar, Archana, Sheetal, Govind Salaskar, Vinayak, Vaibhav and all the students of M. Sc. in Marine Biology for their help and suggestions and also for their company that made my research work pleasing and enjoyable.

My thanks to Mr. P. R. Hegde for his co-operation during research period. I am grateful to Dr. Narahari & Dr. Rajkumar, research associates of Dept. of zoology, Karnataka University, Dharwad, for their help in statistical analysis of the experimental results and Mr. Ranga, for introducing me to the Dept. of Marine Biology, Karwar. I thank the members of the Dept. of fisheries, Karwar, for providing useful information.

My thanks to all the members of 'Blue-line Computer Solutions', Karwar, for providing wholehearted service and help during the research period. My thanks to all the members of the non-teaching staff of the Dept. of Marine Biology, Karwar for extending their help.

During the course of this study, help provided in the form of reprints of the papers by various renowned scientists, both from India and abroad are gratefully acknowledged.
