Acknowledgements

First and foremost I am eternally grateful to Allah the Almighty whose help has made this research accomplished. To Him I shall forever remain thankful.

My greatest debt is to my research supervisor Dr. B. S. Desale, who has stimulated, encouraged, and supported me during conducting this work. I wish to thank him also for his patience and constructive suggestions, which helped me to finish this work in time. I shall never forget that he was kind enough in spite of his engagements, where he supported me whenever I needed him.

I record my thanks and deepest sense of gratitude to Dr. Fadhle B. F. Mohsen, Associate Professor of Mathematics and present Department of Mathematics, Faculty of Education, Zingibar-Aden University (Yemen) for his good advice on several occasions and continuous encouragement through out the work of this thesis.

Special thanks go to my friends Dr. K. M. AL-hamadi, Dr. K. F. Pawar (NMU, Jalgaon, India), E. Abu-assaj, M. AL-badri, A. AL-gonah,
R. Aqeel, K. AL-dlkiy and Narendra Kumar R. Dasre (R. A. I. T., Navi Mumbai, India) for their help, encouragement and support.

I must not forget to thank my late dear friend Alkhadher Algofi for his cooperation and encouragement.

I would like to express my deepest gratitude to my neighbour Mr. J. V. Sayyad and all his family (Salar Nagar, Jalgaon, India) for their kindness and constant help during my residence in India. They, in fact, did not spare any time or effort to help me whenever I needed them.

I would like to thank my cousins Salem and Abdullah Shargeb for their encouragement and support. My family deserves special mention for their inseparable. I would like to thank everyone who was important to the successful realization of thesis. Finally, I praise God almighty for strengthening me throughout my life and especially to do this work.

Last but not least, I owe special thanks to my mother and my wife for their patience and support.

I dedicate this thesis to the memory of my father.
