LIST OF TABLES

Table 3.1: Comparison of magnetic tapes
Table 3.2: Evolution of optical media
Table 3.3: The growth of CD-ROM titles and drives in the market
Table 3.4: Cost per MB for some of the mass storage media
Table 3.5: Comparison of features of CD-ROM and DVD
Table 3.6: Current and estimated sales of CD-RW and DVD+RW during 1998-2000
Table 3.7: Growth of e-publications on Internet
Table 3.8: Processing Speed of Intel processors
Table 3.9: Microprocessors: Present and future projections
Table 4.1: Growth of Internet hosts during 1991-2000
Table 4.2: Some discussion forums/e-conferences in library and information field
Table 6.1: Popular databases subscribed by Indian institutions
Table 6.2: Sector-wise introduction of computers in India during 1955-72
Table 6.3: Computer hardware production and exports (Rs in millions)
Table 6.4: Production of PCs during 1994-95 to 1998-99
Table 6.5: Penetration of PCs in selected countries
Table 6.6: Growth of Indian software industry (Rs in millions)
Table 6.7: Some of the Library software packages available in India
Table 6.8: Type of products in INDAB database
Table 6.9: Status of telecommunication infrastructure in India
Table 6.10: Telecom infrastructure of selected countries
Table 6.11: Status of library networks in India
Table 6.12: Services offered by the library networks
Table 6.13: Growth of Internet hosts in India during 1991-2000
Table 6.14: Internet hosts for 10,000 population in selected countries
Table 6.15: Current status of Internet nodes in the country
Table 7.1: Break-up of response to the questionnaire 309
Table 7.2: Libraries by the nature and type of parent institution 311
Table 7.3: Qualifications of the librarian (N=153) 312
Table 7.4: Manpower and training of staff (N=153) 313
Table 7.5: Library users (N = 153) 314
Table 7.6: Use of computer hardware/software in libraries (N=153) 317
Table 7.7: Use of infrastructure for information dissemination (N=153) 318
Table 7.8: Use of library automation software in libraries (n = 108) 320
Table 7.9: Mode of acquisition and modules covered
in the automation software 321
Table 7.10: Size of records in database and library holdings (N=153) 322
Table 7.11: Use of CD-ROM databases (n=65) 325
Table 7.12: Subject-wise CD-ROM databases and searches made (n=65) 326
Table 7.13: Library budget (N=153) 332
Table 7.14: Percentage of budget the respondents
would like to spend (N=153) 334
Table 7.15: Digital libraries vis-à-vis library system (N=153) 336
Table 7.16: Impact of digital libraries (N=153) 337
