BIBLIOGRAPHY
A SELECT BIBLIOGRAPHY

1. The publication data of the entries have been furnished as completely and accurately as possible.

2. The entries of books, journals, newspapers etc. have been listed together by "all through" principle.

3. The entries have been listed by the surnames and other names where surnames do not exist. The entries are not listed by titles like Swami, Dr., Prof. or other names like the first or the second names.

4. Where the entries are not easily classifiable, the main person figuring in them such as Vivekananda or Ambedkar, is taken as the basis for listing the entry.

5. Generally, words like "A" or "The" are not given prominence in listing an entry.
