ACKNOWLEDGEMENTS

I express my deep sense of gratitude to my revered Teacher and Guide Dr. R. L. Hyderabad, Reader, Department of Post-graduate Studies and Research in Commerce, for his learned guidance, thoughtful suggestions and encouragement throughout my research.

I am thankful to Dr. S. S. Hugar, Professor and Chairman, Dean, Faculty of Commerce and Dr. S. S. Hundekar, Dr. M. R. Shollapur, Sri K. Nagendra Babu - the faculty members of the Department, Karnataka University, Dharwad. My thanks are also due to Dr. B. M. Wali, Prof. C. M. Kotturshetti and Dr. K. S. Daniel - the former members of the faculty, Karnataka University, Dharwad.

I am very much indebted to a great number of esteemed institutions and academic luminaries who have helped in developing my ideas. BOB Caps, BOIFIN, IBMBS and SBICAP - the merchant banking subsidiaries of nationalised banks for their timely help and co-operation by providing necessary information. UTI Institute of Research, SBI Economic Research Library, Association of Merchant Bankers of India, National Institute of Bank Management, Indian Institute of Bankers, Bombay Stock Exchange, Karnataka University Library, Dr. Thiripal Raju, Dr. P. Kallu Rao, Dr. M. Y. Khan, etc., deserve my special thanks.

I express my thanks to former Principals – Shri M. A. Dhavaleshwar, Shri S. V. Sadhunavar, Shri B. A. Hasaraddi and the present Principal Dr. Prakash and to all my colleagues, Government First Grade College, Nesargi, for their kind co-operation and encouragement.

I am grateful to the UGC, Dr. B. P. Waghmare, the Director, College Development Council, Karnataka University, Dharwad and to the Government of Karnataka, Shri M. S. Koujalagi, MLA, for giving me this unique opportunity under the FIP to complete my research work.
I owe a deep sense of gratitude to my brothers, Dr. Sangamesh O. Halasagi and Dr. Sadashiv O. Halasagi, Shri Subhash S.B. and sister (Late) Smt. Sarvamangala, whose blessings have always stood by me in all my endeavours.

I am also thankful to Dr. Ashok Vadakannavar, Prof. Myageri who assisted in the statistical analysis and to Prof. (Ms) Gurudevi U.H. for improving language aspect of the thesis. Prof. L.R. Angadi, Syndicate Member, Karnatak University, Dharwad, Prof. S.V. Chinchani and Prof. Hurakadli also deserve special mention.

I am ever indebted to my wife Smt. Bharati and children Sadhana and Samarth, but for their co-operation the present work would not have seen the light of the day.

My special thanks also due to my friends Shrikrishna and Shivu.

I thank Shri M.D. Kumbar for binding neatly.
