ACKNOWLEDGEMENTS

I am extremely grateful to the Almighty God for giving me the spiritual and mental guidance to complete my thesis.

I am obliged and sincerely thankful to my Guide, Professor and Chairman of Department of Psychology, Dr. P.S. Halyal, Karnataka University, Dharwad for his never ceasing and ever obliging attitude in guiding me throughout my research project. He also been a constant source of help and encouragement and do my project letter. His depth of knowledge in the subject and guidance ability is commendable.

My sincere thanks to Karnatak university authorities, for granting me permission to carryout the research work in the Department of Psychology.

I am gratefully indebted to Prof. B. Krinshnamurthy, Former Professor and Chairman, Dept. of Psychology, Gulbarga University, for his valuable suggestions in improving the quality of this research.

I owe thanks to the libraries of Karnataka University, Dharwad, Gulbarga University, Gulbarga, P.M.N.M. Dental College library Bagalkot, NIMHANS library, Bangalore and Bombay University library Bombay.

Special thanks to Statisticians Dr. Lancy Mysore and Dr. Pandit Dharwad for their statistical analysis of my data.

I thank Prof. C.V. Venugopal. for helping me with the language corrections and thus enhancing the quality of the text.

My special thanks to Mahant Graphics for the neat typing of my script. I thank all the non–teaching staff of Dept of Psychology,
Karnatak University for their support and help during my stay in the department for this research.

I owe thanks to all my friends and colleagues, who helped me with the collection of data especially Dr. Nikhilsh Ved.

My work would never have been complete without the help of my brother Dr. Dexter Brave and my mother Dr. (Mrs.) V. R. Brave who stood by me during the entire period of this research. Special thanks to all the Principals, Professors and Lecturers for helping me collect the data from their Colleges.
