ACKNOWLEDGEMENT

The attitude bliss and emphasis that accompanies the successful completion of my task would be in complete without the expression of application towards those who have rendered help and guidance throughout my research work. The journey, which starts with brilliant ideas and continues in the right direction, will decisively end up with cherish destination. And journey, which we started with the same and continued in the direction of research guide, has also reached on edifying destination in the form of successful completion of research but at the same time we would like to say that we cannot express our gratitude just by thanking them, instead we believe that all these people will be residing in our heart forever for their tremendous support and encouragement, we acknowledge all those who's guidance and encouragement has made us to do what is done so far.

I would like to record my heartiest respect, deepest gratitude and indebtedness to my research supervisor Prof. B.B. Kaliwal, Chairman, Post-Graduate Department of Studies in Biotechnology and Microbiology, Karnatak University, Dharwad for his supervision, enthusiasm, inspiration and dynamic guidance from the very early stage of this research as well as giving me extraordinary experiences throughout the work. Above all and the most needed, sir provided me unflinching encouragement and support in various ways. Truly scientist intuition has made him as a constant oasis of ideas and passions in science, as well as in administration, which exceptionally inspired and enriched my growth as a student, a researcher and a scientist want to be.

I take this opportunity to thank Prof. K. Pancharatna, Chairperson, and Former chairman, Prof. R. Nazeer Ahamed, Post-Graduate Department of Studies in Zoology, Karnatak University, Dharwad for providing necessary facilities during the research work.

I profusely thank and record my gratitudes to Dr. R.D. Sanakal, Dr. Shivasharana C.T. and Dr.V. Shyamkumar for providing effective advices in each and every step of this research work.
I am also thankful to Smt. Shobha B. Kaliwal, who treated me as son and kindled in me the light of research and making me push ahead in the completion and presentation of the research work.

I express my deep found gratitude to my beloved parents. I bow my head on the feet of my beloved parents. Who showed me this world and made me to see and achieve all the treasures and have not left me deficient in any regard. It is due to their blessings for whatever I am achieving now.

My thanks are due to Principal Prof. Sidaramu and colleague Prof. Sanjotha M, of Govt. Arts and Science College, Karwar for their motivation and kind support for this work.

I am indebted to my senior colleagues, Dr. R. L. Ksheerasagar and Dr. T.S. Shreelaxmi for being helpful and a continuous source of advice throughout my research work. Above all I am greatful to Mr. Basavaraj Patagundi, for his ever memorable support in research work.

I am also thankful to Smt. Shashikala Aladamarad for her motivation and blessings for this work.

I owe my heartfelt thanks to colleagues and dear friends Dr. Chandrashekar Unkal, Dr. Deepak Mudraddi, Mr. G. P. Siddapur, Mr. Rajeev Potadar, Mr. Rohit Kaliwal, Ms. Amrita Kulkarni, Ms. Rashmi Hosmani, Ms. Carina Cordeiro, Mr. Arun Shetti, Mr. Mahantesh Kurajogi, Mr. Suneel Dodamani, Mr. Jayaraj Chinchali, Mr. Sadashiv and Mr. Mallikarjun Gadwal who have helped me in innumerable ways and wished me for successful completion of this work and I also thankful to all my B.Sc and M.Sc students for their kind wishes.

I profusely thank all teaching and non-teaching staffs of Post-Graduate Department of Studies in Biotechnology and Microbiology, Karnataka University, Dharwad for their help and co-operation throughout my research work. Finally, I would like to thank everybody who was important to the successful completion of my research work.

Place : Dharwad
Date : 21-01-2011

(Sudheer I. Manawadi)
