ACKNOWLEDGMENT

I express my deep sense of gratitude to my parents, brothers and sisters for their support and inspiration throughout my research work.

It is with pleasure and respect to express my sincere gratitude to Dr. B.B. Kaliwal, Chairman, Post-Graduate Department of Studies in Microbiology and Biotechnology, Karnataka University, Dharwad for his encouragement and guidance during the course of research work.

My sincere thanks are to Chairman and Teachers of Post-Graduate Department of Studies in Zoology, Karnataka University, Dharwad for all the facilities provided during the research work.

Also my thanks are due to University Grants Commission, New Delhi for financial support [Grant No. F.3-13/99 (SAP-II)] for the DRS, Department of Zoology, Karnataka University, Dharwad under which the work has been carried out.

I profusely thank all of my respected teachers, research colleagues, friends and non-teaching staff of the Post-Graduate Department of Studies in Zoology, Karnataka University, Dharwad for their help and co-operation during my research work.

I also thank the Guest Lecturers and Non-teaching staff of the Department of Microbiology and Biotechnology for their support and encouragement and also to Raj Computers, Vijay Nagar, Dharwad for the timely and neat work in bringing out this thesis.

Dharwad
