ACKNOWLEDGEMENT

Soulfully and with limitless humanity, I am grateful to God, the Almighty for bestowing me with such affectionate parents, whose love, dedication and inspiration encouraged me to undergo higher studies. Their selfless persuasion and sacrifice, blessings and firm faith have made this manuscript a penny remuneration to transfer their dreams into reality.

Indeed the words at my command are not enough to put on records my sincere and heartfelt gratitude to my learned and revered teacher, Dr. T.R. Nandal, Professor, HAREC, Dhaulakuan, CSK HPKV, Palampur and chairman of my advisory committee for his scientific acumen and superb guidance in conduct of research and attentive scanning of this manuscript.

With an overwhelming sense of legitimate pride and genuine obligation which give me exuberant pleasure and privilege, I take this opportunity to express my deep sense of gratitude to Dr. Sanjay Chadha for his excellent and valuable guidance, vigilant supervision, inspiration and ever encouraging affectionate attitude. I wish there could have been a more befitting way than words to express deep sense of gratitude for his infatigued assistance and co-operation provided to me during the course of carving this manuscript to its present form.

I am availing this opportunity to express my sincere thanks to Dr. N.K. Pathania, Professor and Head, Department of Vegetable Science and Floriculture, member of my advisory committee and Dr. P. K. Sharma, Dean, Postgraduate Studies, CSKHPKV, Palampur for providing necessary facilities to complete this study.

I am equally thankful to Dr. H.L. Sharma, Dr. J.P. Saini and Dr. K.P. Singh, the esteemed members of my advisory committee, for their valuable suggestions and guidance received from them time to time during the course of my research work.

I shall be failing in my duty if I do not acknowledge the sincere thanks to Dr. Atul, Professor and Head, Department of Agroforestry & Environment who not only provide me job opportunity but also helped me in other aspects.

My thanks are also due to all the laboratory, and ministerial staff of Department of Vegetable Science and Floriculture and field staff of HAREC, Dhaulakuan, for the help rendered by them.

No expression of thanks will be sufficient for my Bhaiya & Bhabi who helped me in each and every aspect of life.

I am yet to find suitable words to express my heartfelt thanks to my fiancée Rajni for providing spectrum of help, sharing my responsibilities at the most crucial moments and encouraging me during the period of my study.

Time stops moving, when I think of acknowledging the nice company and unwavering help of my seniors, Girish, Vinod, Neelam and Meena and my friends Sushil, Vikas, Rohit, Sudhir, Amit, Sheetal & Atul, who kept me in an exalted state even during the moments of despondency and were always with me with supporting hands.

I also express my venerable thanks and heartfelt gratitude to my friend Samsher-Nisha for their co-operation and help.

Finally, I also acknowledge my sincere thanks to all those whom I am indebted on various occasions but have not named personally.

I owe entire responsibility for all errors and omissions.

Mr. Ajay Walia deserves special thanks for his untiring efforts in bringing the manuscript to this form.
